

AUGUST 7, 2021 9AM-5PM

DISC GOLF & CORNHOLE TOURNAMENT

New, beginner, or experienced players all welcome!

Come out and enjoy the summer with some outdoor sports, picnic, and networking. The IEEE Basket-Board Doubles event combines Disc Golf and Cornhole in a friendly competition. All ages and physical abilities welcome. No skill level required. Play one or both games. Game rules will be available at check-in and on the registration site. Choose your own doubles partner, or we can pair you up at the event.

All pre-registered players receive a great player pack, a t-shirt (specify size) and a picnic lunch. Play on the full 18-hole Campville Commons Disc Golf course and/or enjoy chucking corn on the boards. Disc Golf players receive 3 new discs (driver, mid-range, putter), towel, mini-disc, and scorecard. You get everything you need to join the sport! Cornhole players compete for the Last Bag Standing Double Elimination Tournament. Feel free to bring your own ACA-compliant bags or use the provided bags. To keep registration fees low, no bags are in player pack.

Winners will earn some cool prizes. Everyone keeps their player packs. Extra discs, bags, and other gear will be available for purchase if needed.

See <https://events.vtools.ieee.org/m/270161> for details/registration.

GET BACK OUTSIDE AND ENJOY THE OUTDOORS!!
