Cyber Sahay

Introduction

Silver Oak University IEEE WIE Affinity Group organized an event “Cyber Sahay” which was to guide the students with the emerging issues and threats people are facing, what security and measures should be taken in the virtual world, and what laws and steps should be taken against Cybercrime and Cyber-attack. This event was exclusively for Silver Oak University IEEE Student Branch members.

About the Speaker

For conducting this session we had a very skilled member of our Student Branch Prachi Majmudar.

About the Session

Date: 28th July, 2021

Time: 05:00 PM to 06:00 PM IST

Platform: Google Meet

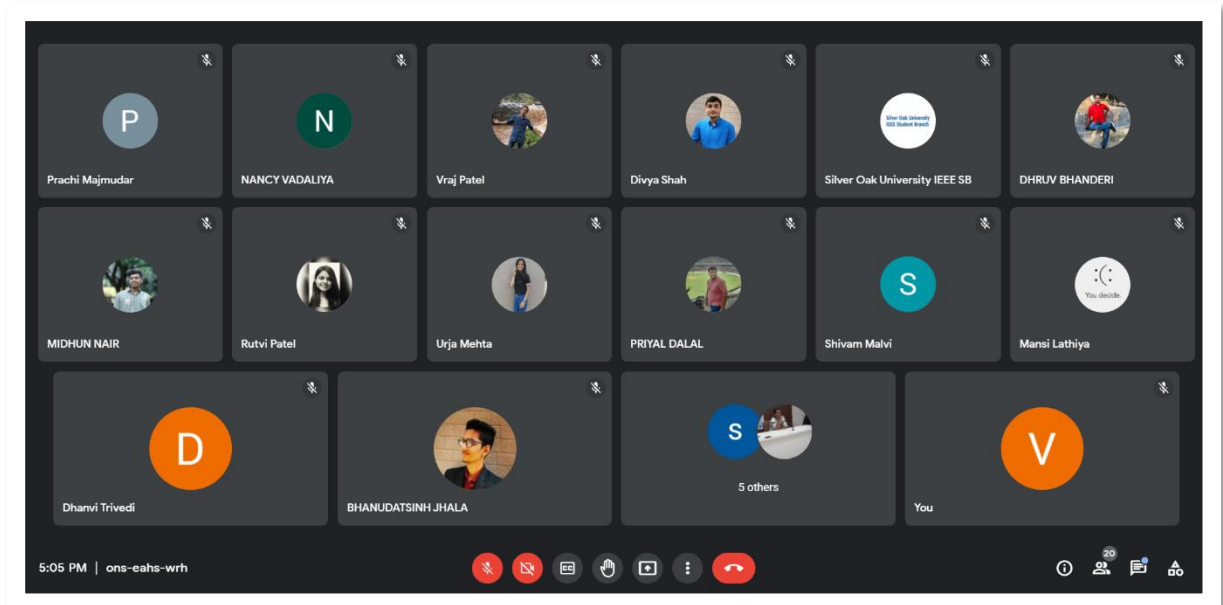

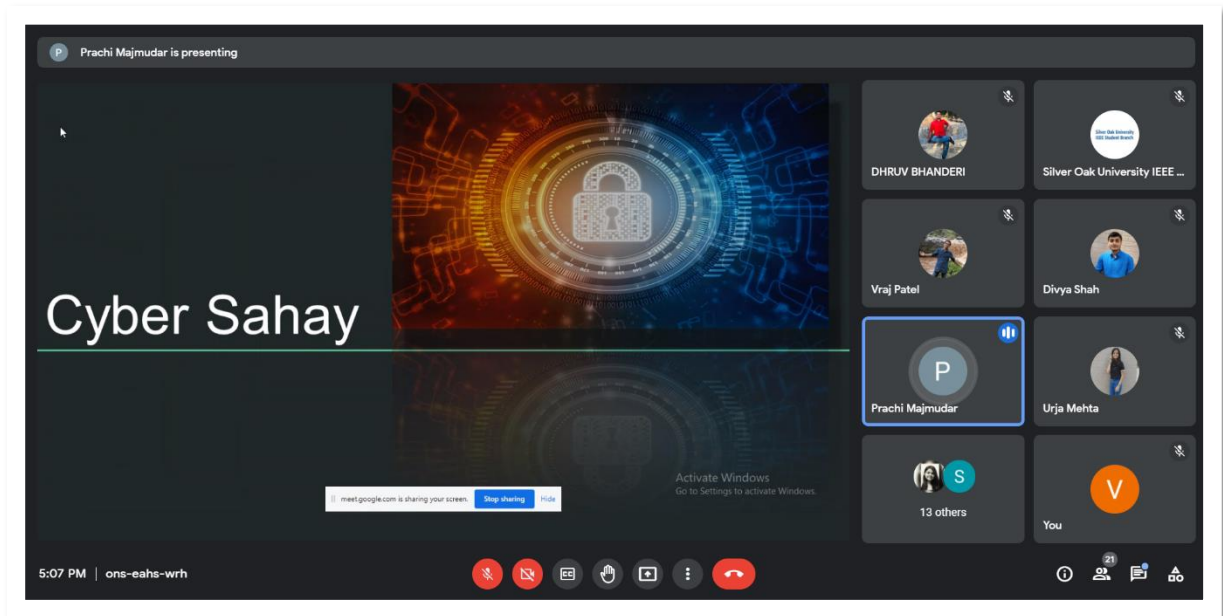

Participants: 21

The “Cyber Sahay” event was started by the Student Branch member who warmly welcomed the speaker along with all the participants. The speaker for the event Ms. Prachi Majmudar started the session with the introductory topic of what is Cyber Crime and the issues faced. She further told about various increasing threats of Cyber Crime and what steps should be taken in the virtual world for Security. Then she explained how to secure a social media account and some basic preventive measures. She also mentioned some laws which are been enacted against Cyber Crime. She explained all the steps on how to lodge a Cyber-Crime complaint and what to do when affected. She also encouraged and inspired all participants.

Conclusion

It was indeed an amazing session for Cyber Security enthusiasts and was concluded by thanking our student mentor Prachi Majmudar for sharing her knowledge with all participants. In the end, we also thanked the management of Silver Oak University, Dr.Saurin Shah, Provost, Silver Oak University, Dr. Satvik Khara Sir, Founding Member of Silver Oak University IEEE SB and Advisor of IEEE SPS Silver Oak University Student Branch Chapter; Prof. Mayuresh Kulkarni, Branch Counsellor of Silver Oak University IEEE SB; Prof. Viren Patel, Advisor of Silver Oak University IEEE WIE AG for always supporting and encouraging us. Lastly, we thanked all the participants for attending this event and making this event successful.

Some glimpse of the event

Prachi Majmudar is presenting

Increasing Threats of Cyber Crime

5 Types of Cyber Criminals:

The Social Engineer The Spear Phisher The Hacker The Rogue Employee The Ransom Artist
