Introduction

Silver Oak University IEEE Student Branch along with Silver Oak University AWS Academy and ElectroMech had organized an enthralling two days hands-on workshop on “AWS Cloud Practitioner”. We believe in giving students exposure to the best blend of technology and expertise. The workshop was a lively and ardent two-day training session.

About the Speaker

To conduct the hands-on workshop, we had an eminent speaker Mr. NileshVaghela, Founder of ElectroMech, AWS Community Hero, AAI, RHCI, and tutor Mr. Parth Patel.

About the Session

Date: 15th-16th March, 2021

Time: 12:00 PM to 4:00 PM IST

Venue: C.V. Raman hall, Silver Oak University

Participants: 70

Day 1:

The event commenced with welcoming the speakers, Mr. NileshVaghela Sir and Mr. Parth Patel and Dr. SatvikKhara Sir, founding member of Silver Oak University IEEE Student Branch and Prof. Mayuresh Kulkarni Sir, Branch Counsellor Silver Oak University IEEE Student Branch presented the bouquet as a token of gratitude to Mr. NileshVaghela and Mr. Parth Patel respectively. The speaker started the session with basic questions regarding cloud computing. Later sir showed students the live AWS local zones. Afterward, sir started the workshop by giving a brief on various topics of cloud computing i.e. IAM, EC2, etc. and gave a good idea on, what is clouding, the AWS server, services provided by the Cloud, the platform provided by the Cloud, and how to become a user on the platform and get experience. And the hands-on session was done on the AWS Educate Website.

Day 2:

On the second day, sir gave a brief on Standard Network Components i.e. Subnets, Server zone, Proxy server, Inbound traffic, Outbound traffic and then he explained VPC (Virtual Private Network), Web Hosting and also gave information on cloud storage i.e. AWS S3 Storage Features, AWS S3 – Static Content, EC2. Participants performed a total of 7 AWS Core Services labs at the end of the workshop. After the completion of the workshop, speaker Mr. NileshVaghela sir and tutor Mr. Parth Patel sir were presented a memento as a token of appreciation by Prof. Mayuresh Kulkarni sir and Prof. HareshParmar sir respectively. To end on a light note, a small fun-gaming session was planned with all the participants.

Conclusion

The event came to an end with participants receiving the certificates from the speaker and the faculty members of Silver Oak University and then, Prof. Mayuresh Kulkarni sir concluded the session by expressing gratitude towards the speaker for conducting this event and all the students for engaging and making it a big success.
