

Call for Poster Presentation

in Southern Tier Technology Symposium 2019: Power and Controls

We call for poster presentations for **Southern Tier Technology Symposium (STTS) 2019**. The relevant topics include but are not limited to:

- Energy Storage,
- Power Systems,
- Clean Transportation,
- Control Systems,
- Avionics.

Presenters should submit an abstract of 150 -300 words via the following **google form** (<https://forms.gle/94vc4nZauJMUhbNV8>). The notification of acceptance will be sent out. Presenters of the accepted posters must register to attend the conference. The registration fee for the presenting author of accepted posters will be waived (If the presenter is a student, the registration fee of the presenter's academic adviser will also be waived.). Also, the presenter must bring and present the posters at the Poster Session on 10/17/2019 (Thursday) from 12:30 pm-2:00 pm at the Rotunda of the ITC building at Binghamton University. The size of the poster should be less than 42" (vertical) and 48" (horizontal).

Winning posters will be selected by committee members of STTS 2019 from the accepted posters to receive **best poster awards**. Winners will be recognized with a certificate from the conference and a gift-card prize. The citation of the winning posters will be posted on the conference website.

Location: ITC Rotunda, Binghamton University (85 Murray Hill Road, Vestal, NY 13850)
