

## **REPORT ON SCRIBBLETECHX**

**Name of Organizing Unit:** SB of Sri Sairam Engineering College IEEE Information Theory Society

**Venue:** Online Event

**Date of Event:** 30.10.2021 - 06.11.2021

**Whether funds received from IEEE exclusively for this event:** No

**Topic:** Scribbletechx - Technical Article Writing

**Speaker details:** Dr. B. Latha, HOD Computer Science and Engineering, Sri Sairam Engineering College

**Target Audience:** First, Second, Third and Fourth year College students

**Attendance:** 60

### **Brief description:**

On 30th October 2021, the Department of Computer Science and Engineering in association with IEEE Information Theory Society SEC Student Branch Chapter launched SCRIBBLETECHX – An Inter-College Technical Article Writing Competition. Participants were required to submit a technical article on any of the domains mentioned in the criteria. The entries were accepted until 06<sup>th</sup> November 2021. Over 60 participants took part in this event. All the articles were evaluated and the best 6 were chosen as the winners.

The Valedictory Function was held on 13<sup>th</sup> November 2021. The event commenced at 4PM. The host of the event Ms. Neathi R began the event with an introductory speech. Then the keynote speaker of the day Dr. B. Latha, HOD Computer Science and Engineering shared her insights on Technical Article Writing. The students interacted with the presenter and clarified their doubts. The Participants shared their feedback about the event, which was followed by the announcement of the winners. The session was concluded successfully around 6PM with a Vote of thanks by Ms. Divya M, Committee member of IEEE ITS Student branch.

**Reported by:** Mrs. D Kavitha, chapter advisor of IEEE SSEC ITS SBC

An Inter-College  
Technical Article Writing Competition  
What technological advancements and innovations  
are available on the horizon of your domain?  
Suggest your ideas and elaborate.

**DOMAINS:**

- Bioinformatics
- Artificial Intelligence/Machine Learning
- IoT and Smart Cities
- Sustainable designs
- Embedded Systems
- Quantum Computing
- Blockchain
- Building Information Modelling
- Wireless Communications
- Biomechanics
- Augmented Reality and Virtual Reality
- Industrial Automation
- Power Systems
- Optical Communication
- Biomedical Engineering
- Cyber Security
- High Performance Computing
- Cyber physical Systems

LAST DATE TO SUBMIT ARTICLE IS 6/11/2021  
VALEDICTORY ON 8/11/2021 AT 3:00 PM

Ecertificates will be provided to all the participants.
