IEEE BRANCH COUNSELOR

PRINCIPAL

Objective of the Event:

Inaugural & Oath taking Ceremony of IEEE Computer Society Student Branch Chapter.

Introduction:

KG Reddy College of Engineering & Technology inaugurated the IEEE student branch by the Department of Electronics and Communication Engineering (ECE) and Department of Computer Science Engineering (CSE) on 03rd September 2022 at KGR CET Seminar Hall. The IEEE student branch provides a platform for the students to meet and learn from fellow students, faculty members and professionals in the field. The student branch activities offer numerous educational, technical, and professional advantages of IEEE membership through special projects, activities, meetings, tours and field trips.

Schedule of youth parliament:

DURATION	TOPIC
11:00 am - 11:15 am	Lightening of the lamp and Inauguration ceremony with a group photo.
11:20 am - 11: 35 am	Introduction and Felicitation of honorable guests.
11:35 am - 12:15 pm	Prof Dr Athul Negi: Student activities at IEEE and opportunities for students.
12:15 pm - 12:45 pm	Dr Rajinikanth Aluvelu: Importance of IEEE, its benefits and Opportunities for students
12:45 pm - 01:15 pm	Small talks of professors who benefitted by IEEE membership
01:15 pm - 01:30 pm	Meet and greet, followed by Lunch

Key Persons of the Event

Dr Rohit Kandakatla, Director, KGR CET

Dr Vijaya Latha, Principal, KGR CET

Dr V. Uma Maheshwari, IEEE Student Branch Counsellor, KGR CET

Dr Manisha G, IEEE Sensor Council, KGR CET

GUEST OF HONOR

Dr Athul Negi, Chair, IEEE Hyderabad

Tara Sai Kumar, Sensor IEEE member

Prof Dr. Rajnikanth Aluvalu - CBIT

Dr. Divya Nalla -Director Nalla Malla Reddy Engineering College

Introduction & Address by Dr Manisha G, IEEE Sensors Council - KGR CET

Prof. (Dr) Manisha. G, formally gave welcome address to all the dignitaries on the dais, guests and delegates, all the head of departments, faculty members, PhD Scholars, M. Tech Scholars, BTech students & IEEE Student Branch Executive Committee members. Dr. Manisha Guduri (Member of IEEE since 2014) enlightens the audience specially familiarizing the faculty and students about the IEEE student branch and its various benefits. She also gave the students a brief about IEEE and its various activities conducted worldwide. She also enlightened the students with importance of students to be IEEE members and other technical societies. She addressed what is IEEE Xplore, IEEE Student job site, importance of IEEE mail IDs. Also, she motivated the students by announcing the various IEEE Student Branch Awards and other awards for student members. She encouraged the students to participate in various conferences, meetings and workshops.

Introduction & Address by Guest of Honor:

Dr. Athul Negi-Chair IEEE:

Dr. Atul Negi – Chair, IEEE Is a professor in school of Computer and information sciences, University of Hyderabad. He bagged mainly “KK NAIR Memorial Lecture” award in 2012, a senior member in IEEE since 2005 and published around 121 articles in the field of pattern recognition and applications and Indian language OCR. He told the pros and cons of being an IEEE member. He also told the student benefits and exposed the student resources available at platform of IEEE. He also shared the importance of professional societies in a student’s life. He suggested the students to have an open mind for everything they do and enlightened the students regarding the various opportunities that one might have after becoming a member of IEEE. He motivated the BTech students to become IEEE members. Then he explained to the students as well as the faculty members how IEEE can be beneficial to them.

Prof Dr Rajnikanth Aluvalu- CBIT

Dr RAJANIKANTH ALUVALU – Prof CBIT He is working as Associate Professor, in the Department of IT, CBIT, Hyderabad. He is a senior Member IEEE.

He enlightened the students with importance of students to be IEEE members and other technical societies. he motivated the students by announcing the various IEEE Student Branch Awards and other awards for student members. He encouraged the students to participate in various conferences, meetings and workshops. He then shared a quote with the audience “Arise, Awake, stop not, till the goal is reached.

Introduction & Address by Chief guest:

Dr. Divya Nalla- Director, Nalla Malla Reddy Engineering College:

Dr. Divya Nalla is the Director of Nalla Malla Reddy Engineering College. Prior to this, she worked as the principal of the same college for 8 years. She has done her masters in Mathematics from Osmania University, and PhD in Computer Science from the University of Hyderabad. She was presented with the Institutional Leadership award by Indo Universal Collaboration for Engineering Education (IUCEE). She is also the recipient of the Women in Education Award presented under the Dewang Mehta National Education Awards by IPE.

She addressed the gathering where she shared several useful tips for organizing a student branch effectively. She even spoke about the importance of IEEE in acquiring the professionalism required in any Engineering student these days. She encouraged to conduct activities, workshops and contests that would reach out to the students and bring out the best in them. she even spoke about the advancement in technology and how IEEE can help a person stay abreast with the latest innovations from around the world. He told about the significance and achievements of the IEEE in various engineering fields and its relevance to the student community in the modern times. Finally, she wished IEEE Student Branch at KG REDDY COLLEGE OF ENGINEERING AND TECHNOLOGY, the very best in all its endeavors.

Introduction & Address by Chief guest Dr Sai Kumar Tara

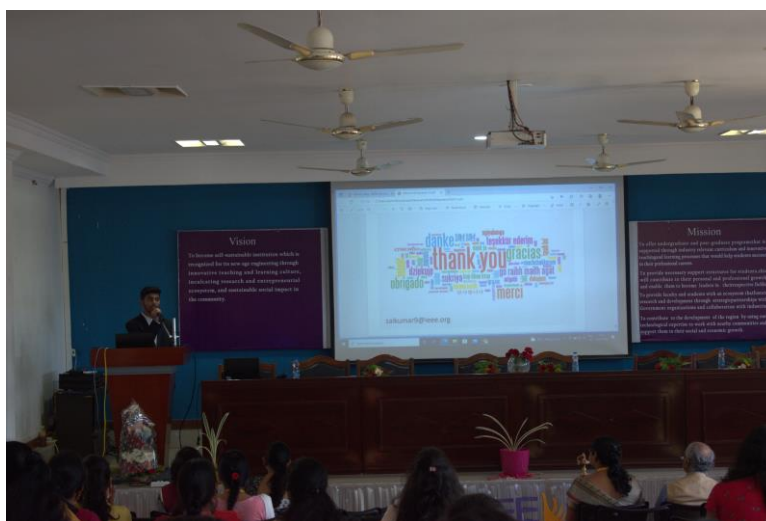

Dr. Saikumar Tara-Senior IEEE Member

Dr. Saikumar Tara-Senior IEEE Member is a Gold Medal recipient from JNTUH's Ex VC, Dr D N Reddy, for his B. Tech degree in Academics on Feb 28, 2008, and University Topper for MTech degree from Kakatiya Institute of Technology and Science (KITS Warangal), Kakatiya University Warangal in 2010.

He congratulated the student branch for their initiative. He promised his full support to IEEE Student Branch. He then went on to talk about need and how IEEE is changing the face of research and technology worldwide and how we can benefit from being a part of this group of technology leaders. He enlightened the students about how IEEE is helping the student community in reaching a career goal. He also brought to light some benefits of IEEE Student Branch. He told to the students that addition to your studies, IEEE has the means for you to remain technically current through competitions and award winning publications. He said that Graduate Students reap the benefits, such as discounts on many technical resources, and reduced registration fees for conferences, plus student discounts on Society memberships, publications and more. He gave some valuable suggestions on how to proceed with various events under IEEE student branch in the near future. His inspirational and thoughtful words were greeted by loud applause from the assembled crowd.

Vote of Thanks by IEEE Branch Counselor: Dr. Uma Maheshwari

The inaugural ceremony came to an end with Vote of Thanks by Dr. Uma Maheshwari, IEEE student branch council, KGR CET. She thanked the dignitaries for sparing their valuable precious time and gracing the occasion by their benign presence. She also thanked the students, HODs and faculty members who left no stone unturned to make the inauguration of IEEE Student Branch a grand success.

THANK YOU
