Report about Competitive Programming Webinar

(17 January,2022)

Date – 17 January,2022

Venue – google meet

Time- 2 PM to 3 PM

About the Event:

The C.S.E department and STB07021 organized a webinar for competitive coding on 17 January, 2022.

The webinar was conducted by Ms. Ekta Mishra who is also a Woman Techmakers Community Member. She has various other achievements under her belt.

The key topics were to :

Discuss the importance of Competitive Programming.

Discuss various techniques and algorithms e.g. Greedy Algorithm used in competitive programming.

Inspiring the interested students in competitive programs and hackathons

Learning Outcomes:

LO1: The students learned importance of competitive programming to better apply basics the learnt.

LO2: The students learned the use of Greedy Algorithm and its importance in competitive programming.
