ABOUT BVM

"Work is Workshop"

Birla Vishvakarma Mahavidyalaya Engineering College is Gujarat First Autonomous Institute managed by Charutar Vidya Mandal and affiliated by Gujarat Technological University. It was established in 1948 from donations made by the Birla Education Trust on the behalf of Sardar Vallabhbhai Patel, the first Home Minister of independent India. The college was inaugurated by Lord Mountbatten, the Governor General of India on 14 June 1948, and rose to prominence under the stewardship of Prof. Junarkar and Prof. K.M. Dholakia. It was one of the few colleges in India that adopted the progressive credit system of relative grading in India. The college has awarded degrees to over 20,000 graduates.

ABOUT CVM

Charutar Vidya Mandal was established in the year 1945 as a charitable trust with a prime objective of rural development through education to bring about the social awakening, social upliftment and enrichment. The uniqueness of Charutar Vidya Mandal lies in its ability to use quality education as a powerful means of social transformation. It was a stupendous task for the founders to establish a visionary organization; but the large-heartedness and high sense of philanthropy of this region made this possible.
