IEEE Women in Engineering
WIE

The mission of WIE is to inspire, engage, encourage, and empower IEEE women worldwide.

**Women in Engineering and Computing: Opportunities and challenges**
Tue May 9, 2023 - 12 noon-1pm (lunch will be provided)
Location: Arthur St. John Hill Auditorium, Barrows Hall, UMaine

You are invited to join this presentation to learn more about women in engineering and computing. New opportunities and challenges are presented and there will be plenty of time for networking and discussions with your fellow IEEE members, researchers, and industry participants.
