# ABOUT THE CAMPAIGN

Multiple IEEE Student Branches in Gujarat, including institutions such as Silver Oak University, Nirma University, Vishwakarma Government Engineering College, Marwadi University, A. D. Patel Institute of Technology, G H Patel College of Engineering & Technology, and CVM University, joined forces to conduct an impactful awareness campaign on IEEE SIGHT.

During the campaign, the Student Branches effectively communicated the mission and purpose of IEEE SIGHT, highlighting its commitment to using technology for humanitarian causes. They showcased a diverse range of projects in areas such as healthcare, education, sustainability, and technology access, demonstrating the organization's impact on underserved communities.

The awareness campaign seamlessly blended online and on-campus formats, providing a comprehensive and interactive experience for attendees. The engaging presentations using PowerPoint (PPT) allowed participants to fully immerse themselves in the content and actively engage with the information presented.

Considering the mission, vision, and motto of IEEE SIGHT Gujarat Section, this campaign was successfully executed. By raising awareness about IEEE SIGHT's contributions, the collaborative efforts of the Student Branches have inspired students and faculty to actively engage in future humanitarian projects, furthering the organization's mission of leveraging technology for positive change.

# SESSION HIGHLIGHTS

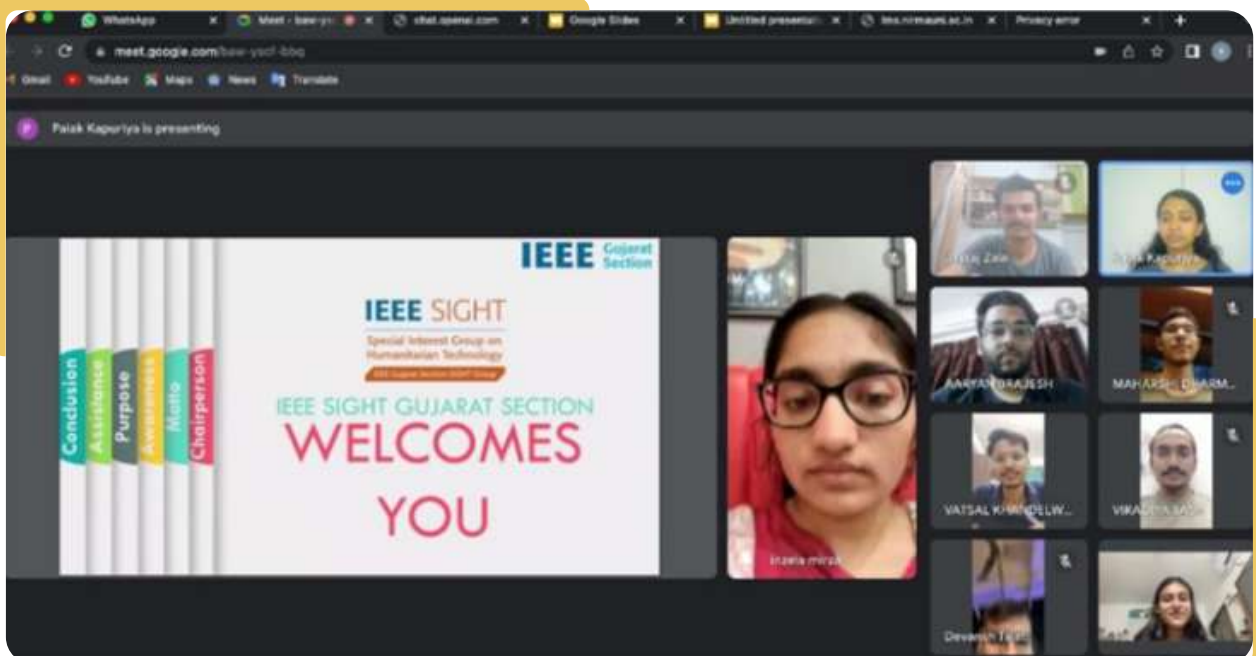

## ***NIRMA UNIVERSITY***

The IEEE Student Branch at Nirma University organized an impactful awareness campaign on 29th April, 2023, focusing on IEEE SIGHT. This campaign provided a comprehensive overview of IEEE SIGHT's goals, mission, and various programs, including the Empower a Billion Lives competition, Humanitarian Challenge, SIGHT Funding Program, IEEE GRSS Microgrant Program, and SIGHT Project Incubator.

The campaign aimed to provide an overview of the goals, mission, programs, and initiatives of IEEE SIGHT, and covered the various programs and initiatives available through IEEE SIGHT, including Empower a Billion Lives (EBL) competition, Humanitarian Challenge, SIGHT Funding Program, IEEE GRSS Microgrant Program, and SIGHT Project Incubator. The attendees were briefed on the objectives and criteria of each program and how they can contribute to addressing humanitarian challenges through technology. The campaign concluded with a discussion on a potential proposal for an IEEE SIGHT project from IEEE Student Branch Nirma University.

Overall, the IEEE SIGHT Awareness Campaign was a valuable opportunity for attendees to learn about the goals and programs of IEEE SIGHT, engage with local stakeholders, and build valuable skills and experiences. The campaign provided a platform for discussing potential ways to contribute to addressing humanitarian challenges through technology and encouraged attendees to develop innovative and sustainable technology solutions for the betterment of underserved and marginalized populations.

# SESSION HIGHLIGHTS

## **SILVER OAK UNIVERSITY**

Silver Oak University IEEE SIGHT Student Branch Group conducted an '**IEEE SIGHT Enlightenment Drive**', in collaboration with the *IEEE SIGHT Gujarat Section*, to raise awareness among students about the mission, assistance, purpose, schemes, and funding opportunities offered by IEEE SIGHT. The campaign aimed to educate student members about the positive impact that technology can have on society and how they can contribute to creating a better world.

The 'IEEE SIGHT Enlightenment Drive' focused on the significance of leveraging technology to empower marginalized communities and promote sustainable solutions for societal betterment. During the Campaign, the importance of empathy, professionalism, excellence, and collaboration was emphasized, underscoring the need for collective efforts to achieve positive change. Attendees gained valuable insights into the various schemes and funding opportunities offered by IEEE SIGHT to promote innovation and sustainability in technology. The campaign successfully raised awareness about the transformative potential of technology in addressing social and environmental challenges and inspired attendees to explore opportunities within IEEE SIGHT to drive social progress.

In conclusion, the campaign successfully raised awareness about the transformative potential of technology in addressing social and environmental challenges. Attendees were inspired to explore opportunities within IEEE SIGHT and utilize their skills to drive social and environmental progress.

## ***VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE***

The IEEE VGEC Student Branch organized an enlightening awareness webinar on the IEEE SIGHT Gujarat Section. The webinar aimed to familiarize participants with the working principles and numerous benefits of actively participating in the IEEE SIGHT Gujarat Section.

IEEE VGEC Student Branch had conducted an awareness webinar on IEEE SIGHT Gujarat Section. This webinar aimed to provide information, working as well as benefits of being a part of IEEE SIGHT Gujarat Section's active participant. This webinar was conducted on 8th May, 2023 on Google Meet Platform. This campaign was led by the Chairperson of IEEE VGEC Student Branch ~ Hetanshi Acharya. In total, 28 students benefited through this campaign.

In conclusion, this campaign has provided valuable insights into IEEE SIGHT and specifically, the IEEE SIGHT Gujarat Section. Members have gained a comprehensive understanding of the diverse schemes and funding architecture offered by the IEEE SIGHT Gujarat Section. Furthermore, the promotional video available on the IEEE SIGHT website has enhanced students' understanding and provided them with additional insights. With this knowledge, members are well-equipped to explore the opportunities and contribute actively to IEEE SIGHT Gujarat Section's initiatives, fostering personal and professional growth.

# SESSION HIGHLIGHTS

## ***A. D. PATEL INSTITUTE OF TECHNOLOGY***

The IEEE SIGHT Awareness Campaign, organized by IEEE SIGHT, ADIT in association with IEEE SIGHT GUJARAT SECTION took place on 08th May 2023 at ADIT Conference Hall. The campaign aimed to raise awareness about the transformative potential of technology in addressing humanitarian challenges and promoting sustainable development.

The campaign aimed to raise awareness about the role of IEEE SIGHT in leveraging technology for humanitarian purposes and promoting sustainable development. This report highlights the key activities, outcomes, and lessons learned from the campaign, emphasizing the importance of collaboration and community engagement in creating a positive impact.

The IEEE SIGHT Awareness Talk successfully raised awareness about the importance of humanitarian technology and the role of IEEE SIGHT in driving positive change. Attendees left the campaign with a deeper understanding of the potential of technology in addressing social challenges and a sense of empowerment to make a difference in their own communities.

# SESSION HIGHLIGHTS

## ***MARWADI UNIVERSITY***

On 9th May 2023, the IEEE MEFGI Student Branch hosted an campaign on IEEE SIGHT (Special Interest Group on Humanitarian Technology) at the behest of IEEE Gujarat Section. The campaign aimed to raise awareness about the role of technology in solving real-world problems and its potential to empower underprivileged communities. The campaign included an introduction of the Chairperson of IEEE SIGHT Gujarat Section, Dr. Satvik Khara, and highlighted the organization's mission and vision.

The campaign introduced the goals and objectives of IEEE SIGHT Gujarat Section, which uses technology to address humanitarian challenges faced by underserved and marginalized communities in Gujarat, India. The organization aims to improve their quality of life through sustainable and innovative solutions. The campaign emphasized the importance of empathy, emotional touch, technology for betterment, professionalism, excellence, and collaborative efforts. The campaign also highlighted the organization's funding opportunities and encouraged collaboration between industry professionals, academics, and students.

In conclusion, the campaign provided valuable insights into the potential of technology in solving real-world problems and empowering underprivileged communities. It also encouraged participants to collaborate and innovate towards a brighter future for humanity.

# SESSION HIGHLIGHTS

## ***G H PATEL COLLEGE OF ENGINEERING & TECHNOLOGY, CVM UNIVERSITY***

In recognition of IEEE SIGHT Day 2023, the IEEE GCET SB SIGHT, in association with IEEE Gujarat Section SIGHT Group, hosted an awareness campaign to familiarize its student members with IEEE SIGHT.

The Special Interest Group on Humanitarian Technology (SIGHT) of IEEE GCET Student Branch, in association with IEEE Gujarat Section SIGHT Group, organized SIGHT AWARENESS SESSION on 17th May 2023 to commemorate SIGHT Day 2023. It was organized in virtual mode between 06:00 PM to 07:00 PM. The campaign was conducted by IEEE GCET SB SIGHT Chairperson, Mahir Buch and by IEEE GCET SB SIGHT Vice-chairperson, Harsh Shah. By means of a PowerPoint Presentation (PPT), the participants were given an overview about IEEE's Special Interest Group on Humanitarian Technology

Organizing a SIGHT awareness campaign was an impactful way to educate and engage individuals about the importance of applying technology for humanitarian purposes. It provided an opportunity to highlight the work of IEEE SIGHT and its global network of volunteers who are actively making a difference in the world. Holding a SIGHT awareness campaign amplified the impact and reach of humanitarian technology efforts that can lead to a more equitable and sustainable future.

# SOME GLIMPSES OF THE SESSION

Harsh Shah is presenting

## Our Motto

**LEVERAGE EXPERTISE AND INNOVATION FOR A BRIGHTER TOMORROW:**

We believe that the key to creating a brighter tomorrow is to leverage our expertise and innovation to create solutions that are both sustainable and impactful. The group acts as a platform for its members to showcase their skills and knowledge, to collaborate with others to develop innovative solutions.

Participants: Darshan Modi, Umangi Brahmhatt, Mahir Buch, Harsh Shah, 21 others, You.

Harsh Shah is presenting

## Raising Awareness

**01 EMPATHY & EMOTIONAL TOUCH**

IEEE SIGHT Gujarat Section believes that the key in making a positive impact on people's lives is by remaining connected to their needs. Our focus on empathy and emotional touch ensures that we understand the challenges faced by underserved and marginalized communities.

**02 TECHNOLOGY FOR BETTERMENT**

The organization recognizes that technology has the power to transform lives and communities for the better. They are committed towards raising awareness about the critical role that technology can play in addressing the world's most pressing challenges.

Participants: Harsh Shah, Darshan Modi, Umangi Brahmhatt, Smit Choksi, 21 others, You.

# CONCLUSION

In conclusion, the collaborative efforts of multiple IEEE Student Branches in Gujarat, including Silver Oak University, Nirma University, Vishwakarma Government Engineering College, Marwadi University, A. D. Patel Institute of Technology, G H Patel College of Engineering & Technology, and CVM University, have successfully raised awareness about IEEE SIGHT. Through informative campaigns, these institutions have highlighted the mission, goals, and various programs of IEEE SIGHT, inspiring attendees to actively contribute to humanitarian efforts.

The awareness campaigns have emphasized the transformative power of technology in addressing societal challenges and improving lives. Attendees have gained a comprehensive understanding of the potential of technology and have been encouraged to utilize their skills to create a positive impact. The campaigns have provided a platform for discussions, networking, and the exploration of opportunities within IEEE SIGHT, fostering personal and professional growth among the participants.

Additionally, the constant support of Dr. Satvik Khara, Chairperson of IEEE SIGHT Gujarat Section, was crucial in making the awareness campaign possible and ensuring its successful execution. His dedication and guidance played a significant role in promoting the vision of IEEE SIGHT in Gujarat.

The collaborative awareness campaigns on IEEE SIGHT have effectively raised awareness and motivated participants to engage in IEEE SIGHT's initiatives.
