A REPORT ON
Career Aspects With AWS

Date:17th July, 2023
Venue: EA-315, EA-Block, Silver Oak University

Career Aspects with
aws

Introduction:

Silver Oak University IEEE Computer Society Student Branch Chapter in association with AWS Cloud Club at Silver Oak University and **Department of Computer Engineering, SOCET** organized an insightful session titled, **"Career Aspects With AWS"** which was centred around the career opportunities provided by AWS, world's grossing cloud computing platform.

About the Speakers:

The session was graced by our luminary speakers:
1. **Mr. Brijesh Patel**, Chief Technology Officer at SNDK Corporation, who's not only an expert in the realm of AWS but has also made remarkable contributions in the domain.
2. **Mr. Nilesh Vaghela**, Founder of ElectroMech and an AWS Community Hero who has been certified with RHCI, RHCSA, RHCE and AAI.

About the Session:

Date: 17th July, 2023
Time: 10:00 A.M Onwards
Venue: EA-315, EA-Block, Silver Oak University
Participants: 88

The event burst into life as Dr. Satvik Khara, Dean, Diploma Engineering, Silver Oak University; Head, Department of Computer Engineering, SOCET; Senior Member IEEE; Founding Member, Silver Oak University IEEE Student Branch; Chairperson, SIGHT, IEEE Gujarat Section and Secretary, Computer Society, IEEE Gujarat Section along with Prof. Jaimin Dave, Vice Principal, Silver Oak University warmly welcomed the esteemed guests with an electrifying surge of energy and boundless excitement. With an air of appreciation and respect, they bestowed mementos to the speakers, acknowledging their invaluable presence. And just when the audience thought the stage couldn't get any livelier, the baton was passed to the one and only Mr. Brijesh Patel. He started by sharing his journey in AWS, beginning with his initial fascination with cloud computing and its immense potential. With a background in computer science, Mr. Brijesh Patel explored AWS services and honed his skills through training programs and certifications. He emphasized the significance of hands-on experience and continuous learning in shaping his career in AWS.

After sharing his story, Mr. Brijesh Patel delved into a comprehensive introduction about AWS, highlighting a wide range of cloud services, including computing power, storage options, and database management. Furthermore, he underscored the substantial educational and career opportunities available within the AWS ecosystem.

Mr. Brijesh Patel emphasized the various training and certification programs offered by AWS while also encouraging the audience to pursue training and engage in hands-on projects. He also discussed the robust partner network that AWS boasts consisting of organizations across diverse industries. This network provides numerous collaborative opportunities for professionals in the AWS ecosystem.

Shifting focus, Mr. Nilesh Vaghela took over the stage. He shared his insights on how students can build their careers through practical experience, personal projects and internships. He also advised students on finding their niche within the cloud computing realm and highlighted the benefits of AWS cloud computing, including scalability, reliability, flexibility, security, and cost efficiency. He suggested that students could start building their cloud computing careers within their universities by joining AWS cloud clubs and participating in AWS Academy, where they can earn valuable certifications of high repute within the industry. Mr. Nilesh Vaghela also guided them through the diverse positions in cloud computing, where he unveiled the unique roles, everyone plays in this ever-evolving technology landscape.

The audience were truly stunned and impressed by the insights shared by both speakers, recognizing the vast potential and opportunities offered by AWS and cloud computing in general. The event served as a catalyst for attendees to further explore the AWS ecosystem, engage in training programs, and pursue certifications to enhance their careers in the field of cloud computing. This was only possible because of constant guidance and encouragement from Dr. Satvik Khara, Dean, Diploma Engineering, Silver Oak University; Head, Department of Computer Engineering, SOCET; Senior Member IEEE; Founding Member, Silver Oak University IEEE Student Branch; Chairperson, SIGHT, IEEE Gujarat Section and Secretary, Computer Society, IEEE Gujarat Section.

Conclusion:

The event highlighted the significance of AWS with speakers emphasizing the importance of hands-on experience, continuous learning, and obtaining certifications for career growth. Attendees were motivated to explore the AWS ecosystem and pursue training to enhance their cloud computing careers.

Glimpses of the event:

Prof. Jaimin Dave proffering memento to Mr. Brijesh Patel as a token of gratitude.

Dr. Satvik Khara proffering memento to Mr. Nilesh Vaghela as a token of gratitude.

Speaker elaborating his experience on cloud computing.

Mr. Nilesh Vaghela explaining the opportunities available in AWS.
