

A Report on Technical Quiz on Green Technologies

A technical quiz on Green Technologies was held on October 4, 2023, in the EEE Simulation Lab as part of IEEE Day at Swarnandhra College of Engineering & Technology IAS, System Council, PES, and Council on Superconductivity Joint Student Branch Chapters IA34, SYSC45, PE31, CSC41(SBC64622A), and Women in Engineering (SBA64622A). Senior Staff Members, HOD/EEE, and other staff members attended the program, and the program coordinator spoke to the audience. There were 65 people who took part in this quiz contest. About 35 IEEE student members took part in the activity. This event was organized by the Chapter Advisor for the Power & Energy Society, Mr. V Madhu, IEEE Day Ambassador for the Vizag Bay Section, and Ms. Janaki G, PES Chair.
