

Event Date: 9th October, 2023
Venue: Audi 801, North South University
Organized by: IEEE NSU Student Branch
No. of participants:

IEEE NSU Student Branch has successfully conducted the festive event, “**IEEE Day Celebrations**” on 9th October, 2023, to commemorate the globally renowned IEEE day. The event had Dr. Lamia Iftekhar, Faculty Advisor of IEEE NSU RAS SBC, as the chief guest along with the IEEE Day Ambassadors, Executive Body and respective members of the Branch.

The event began with a brief introduction on IEEE Day and its significance in establishing the Institute of Electrical and Electronics Engineers (IEEE). Afterwards, the Faculty Advisor of IEEE NSU RAS SBC, Dr. Lamia Iftekhar was called upon to the podium to share her insight on IEEE Day. Dr. Lamia Iftekhar proceeded to explain about the momentous IEEE Day and the motivation behind celebrating it. She discussed and promoted the upcoming events arranged by INSB, for this year's celebrations.

To start off the festivities, Dr. Lamia Iftekhar called all the attendees to join her on stage for the cake cutting ceremony and a group photo. After the ceremonial session, Iftekhar Bin Ashraf, Chair of INSB, took the stage to share some inspiring and uplifting words and subsequently called the ambassadors of IEEE Day, Mehedi Hasan Refat and Suraiya Islam Meem, to the stage. The ambassadors of IEEE Day shared their honorable roles as ambassadors and their goals to unite everyone of INSB to celebrate IEEE Day with prosperity. They then concluded their speech by galvanizing the branch members and promoting the forthcoming events.

Finally, the event ended with a thrilling and memorable cultural segment, with every member of the branch participating with utter jubilation.
