

Welcome to the IEEE PES Student Branch Chapter

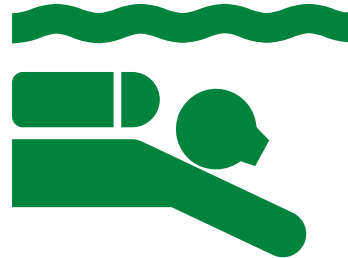

Empowering Tomorrow: Join IEEE PES Student Branch Chapter

IEEE PES STUDENT CHAPTER University of Jaffna

OCTOBER 05

INTRODUCTION

Welcome to IEEE PES Student Branch Chapter Presentation

Let's dive into the world of electrical
wonders!

About IEEE PES

About IEEE PES

Overview

IEEE PES is a globally recognized organization.

Founded in 1970

Rich history shaping the power and energy industry.

About IEEE PES

Global Engagement Through Local Chapters

Almost 40,000 members in 150 countries

REGION 8

50 chapters | 84 student chapters | 5,587 members

REGION 9

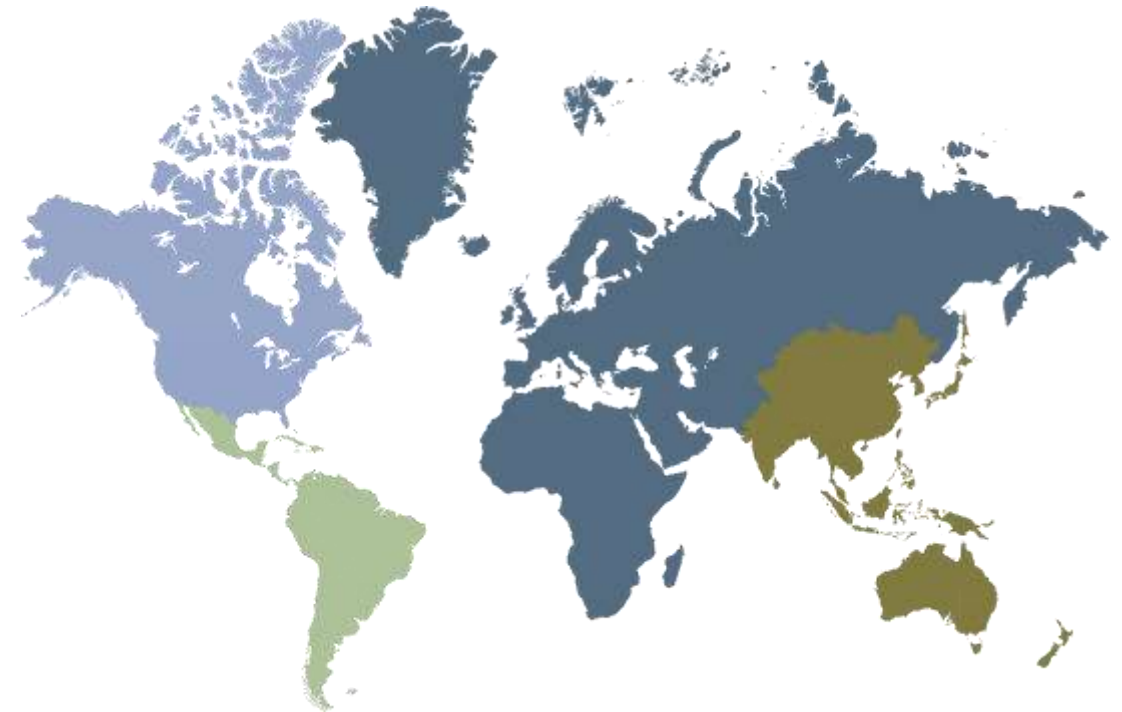

36 chapters | 119 student chapters | 2,551 members

REGION 10

51 chapters | 198 student chapters | 12,645 members

267 Chapters and 472 Student Chapters:

PES Chapters are a great way to plug in to the society in most parts of the world and get involved.

>50% of members are outside USA

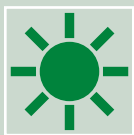

About IEEE PES

Mission

Our Guiding Principles

Advance and disseminate knowledge in electric power and energy for societal betterment

Promote the latest technologies in the power and energy sector

Support education and professional development in related fields

About IEEE PES

Global Significance

Connecting the World in Power and Energy

Connects Professionals, Researchers, and Students worldwide sharing a passion for power and energy

Fosters collaboration, innovation, and knowledge exchange on a global scale

IEEE PES and Power & Energy

IEEE PES and Power & Energy

Relevance to Power and Energy IEEE PES plays a pivotal role in
Shaping a Sustainable Future

Advancing renewable energy sources

Modernizing electric grids and promoting smart grid technologies

Developing sustainable energy storage solutions

Ensuring power system stability and reliability

Promoting environmental sustainability and energy conservation

Our Chapter

Our Chapter

Establishment

IEEE PES UOJ SB Chapter was founded on December 20, 2018, within the Faculty of Engineering University of Jaffna

Our Chapter

Founding Chairman

Dev Sugandhika played a pivotal role as the founding chairman

Provided guidance and support to chapter members

Initiated various activities related to power and energy systems

Founding Student Branch Adviser: Eng

Provided expertise and mentorship

Guided chapter activities related to power and energy systems

Our Chapter

Chapter Activities

Since inception, the IEEE PES UOJ SB Chapter has actively organized:

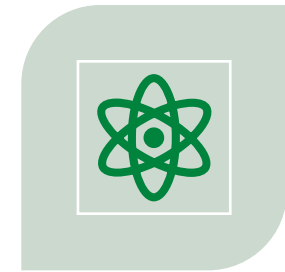

TECHNICAL WORKSHOPS.

SEMINARS.

GUEST LECTURES

OTHER EVENTS FOCUSED
ON POWER AND ENERGY
SYSTEMS.

Our Chapter

Purpose of Activities

These activities aim to:

Enhance the knowledge and skills of student members

Provide networking opportunities

Foster a platform for the exchange of ideas in the power and energy field

Our Chapter

Ongoing Growth

The chapter continues to grow and expand its activities.

Benefits of Joining IEEE PES Student Branch Chapter

Unlocking Opportunities

Networking
Opportunities

Skill
Development

Access to
Resources

Professional
Growth

Community
Engagement

Leadership
Opportunities

By joining us, you not only enrich your academic journey but also prepare yourself for a successful and fulfilling career in the dynamic field of power and energy.
