On October 06, 2023 IEEE NSU Student Branch organized a General Body Meeting (GBM) in celebration of IEEE DAY to mainly encourage the members into participating at the “IEEE DAY Photo Contest” and “IEEE DAY Video Contest” 2023 along with this the plannings of upcoming events.

The meeting started with the appreciation speech from the Chair, Mohammad Iftekhar Bin Ashraf over pulling the “IEEE DAY Celebrations 2023” event successfully and praised the tasks of each team and their contributions. With the continuation, he also added and motivated the members to continue the hard work on the upcoming events. Furthermore the updates on the upcoming workshop were also urged and the participation from the members.

With this, other Executive Members encouraged over the video and photo contests relating to the theme of IEEE DAY 2023 and how winning the contests helped the student branch and also made the members aware of the prize money. In addition to this, the segments for the closing ceremony was also discussed in the meeting.
