Event Title: IEEE Day 2023 Closing Ceremony
Date: 15 October, 2023
Time: 04:15 - 05:30 PM
Venue: AUDI 801, North South University

The **"IEEE Day 2023 Closing Ceremony"**, organized by IEEE NSU Student Branch, held on 15 October 2023 at AUDI 801, North South University, marked the culmination of a day filled with innovation, learning, and networking. The event brought together IEEE Members, professionals, and students to celebrate the spirit of IEEE, honoring its rich legacy and contributions to the world of technology. The session started with warm, welcoming remarks from the honorable Branch Counselor of IEEE NSU Student Branch, Mr. Saif Ahmed, sir, who is a lecturer in the Department of Electrical and Computer Engineering at North South University. He took this opportunity to thank the guests, speakers, sponsors, and volunteers for their enthusiastic participation throughout the celebration programs of IEEE Day 2023 at North South University premises. Following the remarks, Dr. Fariah Mahzabeen, ma'am, the faculty advisor of IEEE NSU SB WIE Affinity Group, took the stage to share her unique experience with IEEE activities and encouraged the dedicated and passionate members of IEEE to pull off such successful programs. Later, the Ambassadors of IEEE Day 2023 from North South University, Suraiya Islam Meem and Mehedi Hasan, shared their experiences and journey of working in this global platform and how it enriched them by representing North South University in this largest technical community worldwide. The executive committee of IEEE NSU Student Branch shared their remarks and thanked every member who participated in arranging these wonderful programs throughout the week-long celebrations. The event concluded with a small cultural performance and entertainment, creating a vibrant atmosphere for participants to enjoy and unwind.
