Socialshow Down
Unleashing Creative Potential in video Editing

Sarvajani College of Engineering and Technology has organized the technical festival, Kshitij “Anant Gyaan ki Talaash mei”. This techfest is conducted for the students to improve their technical knowledge, managerial skills, groom their personality and explore their innovative and creative abilities.

Electronics and Communication Engineering Department has organized oldest Department techno festival entitled as “**Symposium 2023**” under the banner of **Kshitij**. Symposium is the annual festival of the Electronics and Communication Engineering department arranged since 1999. Pre event “**Socialshow Down: Unleashing Creative Potential in Video Editing**” is organized on 22nd and 25th September 2023. The event is technically sponsored by IEEE surat, SB.

Event aims to bring together budding videographers, vloggers, and tech enthusiasts to explore the latest trends and techniques in videography and vlogging. This event features workshops, assignments, hands-on sessions, competition and networking opportunities to foster skill development and collaboration within the field of multimedia content creation.
