

Report of Canaveral Section LM30507A Inaugural Banquet

The Canaveral section had a Life Member Affinity Group (LMAG) held an Inaugural Banquet on Saturday, October 21, 2023, at the Red Lobster restaurant in Merritt Island, Florida. The event was published in Vtools Enotice and 32 people registered for the event in Vtools. A total of 27 people attended the event which included Canaveral and Melbourne section members and guests. The Canaveral Section LMAG is most grateful to the IEEE Life Member committee and R3 Life Member coordinator for their relentless support and approving funds for this inaugural banquet. The Canaveral Section LMAG provides a platform for social networking opportunities for LMs and members in general, enhance intergenerational communications of IEEE members, foster IEEE member retainment and recruitment pipeline, community engagement and support of STEM activities. The Canaveral section LMAG members confirmed the officers of LM30507A at the inaugural banquet: Chair (Macaulay Osaisai -LS) and Vice-chair/Treasure (William Nutter – LM).

Below are some photos including a photo of a cake marking the special occasion.
