Event Summary:

The IEEE PES SBC UOJ successfully launched its official website on October 13, 2023, at the Faculty of Engineering, University of Jaffna, Sri Lanka. The event took place in the Seminar Building and was attended by six IEEE members and six guests.

Event Highlights:

- The event began with a warm introduction by the announcer, setting the stage for an exciting evening.
- The Chairman delivered a welcoming speech, expressing gratitude to all attendees and participants for their presence and support.
- The Dean, Dr. K. Pirapaharan, shared valuable insights and provided a vision for the faculty's future endeavors.
- An introduction about the website was given, highlighting its importance and features.
- The official website was launched by the Dean, marking a significant milestone for the faculty.
- Prof. Athputharaja delivered an inspiring speech, emphasizing the significance of technology in education and research.
- A thank-you speech was given by Mr. Akith Anupriya (the treasurer) to express gratitude to all those who contributed to the website launch event.

- The event concluded successfully, leaving the attendees excited about the faculty's new official website and the opportunities it offers for communication and collaboration.

Acknowledgments:

The success of the IEEE PES SBC UOJ official website launch event would not have been possible without the contributions and support of all the attendees and participants. Special thanks to Mr. Krishikaran Raveendran from the ICT department for his invaluable assistance in creating the website. The dedication and hard work of the organizing committee are greatly appreciated.

This event marked an important step in the development of the Faculty of Engineering at the University of Jaffna, and we look forward to a bright future with our new online presence.
