

Dear Space Enthusiasts and CCTS Members.

CCTS Board is delighted to invite you to a special event to **Celebrate Engineer's Week**, hosted and sponsored by the CCTS. The event will feature a Space talk, **Eyewitness to History: Cape Canaveral During the Space Race** by **Jeff Hessel** a renowned space historian and author of a book on the history and future of space exploration. Mr. Hessel will share his insights and perspectives on the past achievements, current challenges, and future opportunities of humanity in space. He will also answer your questions and engage in a lively discussion with the audience.

The event will take place on **Saturday, February 24th, 2024, from 5-7 pm at the FSEC**. The address is **1679 Clearlake Rd, Cocoa, FL 32922**. The event is free and open to the public, no registration is required. For more details, please see attached flyer or visit our website at [Eyewitness to History: Cape Canaveral During the Space Race – Canaveral Council of Technical Societies \(CCTS\) \(cctsonline.org\)](http://cctsonline.org).

For Project Management Institute(PMI) members to receive 1.5PDU, please register at [Eyewitness to History: Cape Canaveral During the Space Race \(Engineering Week Sponsored by CCTS\) | PMI Space Coast, Florida](http://cctsonline.org).

We hope you will join us for this exciting and informative event. Please feel free to share this invitation with anyone who might be interested. We hope to see you at the event.

Very Respectfully,

Nimisha Vyas

Chair CCTS & President of PMI Space Coast Chapter

Canaveral Council of Technical Societies
