

Build Something Cool

Meet IEEE and build your own electronics project for FREE!

Details:

Who: Anyone in grades 6 – 12 and their family members, teachers, guardians

What: Build your own FREE project to KEEP, talk to real engineers and scientists

When: Saturday, April 13, 2024, 10:00 AM – 3:00 PM

Where: Metropolitan State University of Denver Auraria Campus, Science Building 2001

Why: Explore electronics, learn about engineering, and do something Cool!

This is a FREE event but REGISTRATION is required.

Please go to <http://tinyurl.com/3zjjd8rd> or use the QR code to register and select your project by March 31st.

For project-related questions: please email: sac_K-12@ieee-denver.org

For registration and general questions: please email: hliu1@msudenver.edu
