Xenesis 2024

15th Edition of LDRP-ITR's
Annual Technical Fest

Date:

23RD & 24TH FEBRUARY, 2024

Theme:

YOUNG INDIA, NEW INDIA

Xenesis 2024

At a Glance

- Xenesis 2024, the flagship Technical Festival of LDRP-ITR, embodies innovation, creativity, and technology.

- Since its inception in 2007, the event has consistently nurtured talent and innovation. Every year, Xenesis showcases cutting-edge events, conducts insightful workshops, and brings together bright young minds. From robotics contests to coding challenges, Xenesis provides a platform for students to showcase their skills, connect with industry professionals, and develop valuable expertise for the future. The festival's lively ambiance pulsates with collaborative energy, learning opportunities, and a shared enthusiasm for technology. As Xenesis 2024 unfolds, it continues to motivate, educate, and push the boundaries of technological possibilities.

Dignitary Speakers

DR. RAJ KUMAR

PROF. SATISH DHAWAN SCIENTIST, ISRO

- SIGNIFICANT CONTRIBUTIONS TO THE DEVELOPMENT OF REMOTE SENSING TECHNOLOGY IN INDIA.
- 125+ PUBLICATIONS IN PEER REVIEWED JOURNALS OF INTERNATIONAL REPUTE.
- RECIPIENT OF SATISH DHAWAN AWARD, VIKRAM SARABHAI AWARD, PROF PR PISHAROTY MEMORIAL AWARD AND ISRO TEAM EXCELLENCE AWARD.
- PART OF INDIAN METEOROLOGICAL SOCIETY, MEMBER OF NATIONAL COMMITTEE OF IMS.
- SERVED AS PRESIDENT OF INDIAN SOCIETY OF GEOMATICS

SHRI VALLABHBHAI M PATEL

HON. CHAIRMAN : SVKM, KADI & GANDHINAGAR

HON. PRESIDENT: KSV, GANDHINAGAR

- INDEPENDENT DIRECTOR, INDIAN RAILWAY FINANCE CORPORATION, GOVERNMENT OF INDIA.
- A SUCCESSFUL INDUSTRIALIST HAVING HIS INTEREST IN COTTON GINNING AND PRESSING BUSINESS.
- UNTIRINGLY PUTTING EFFORTS TO IMPROVE THE EDUCATION STANDARDS OF THE FACULTIES AS WELL AS STUDENTS SO AS TO MAKE THEM BETTER CITIZENS OF THE COUNTRY.

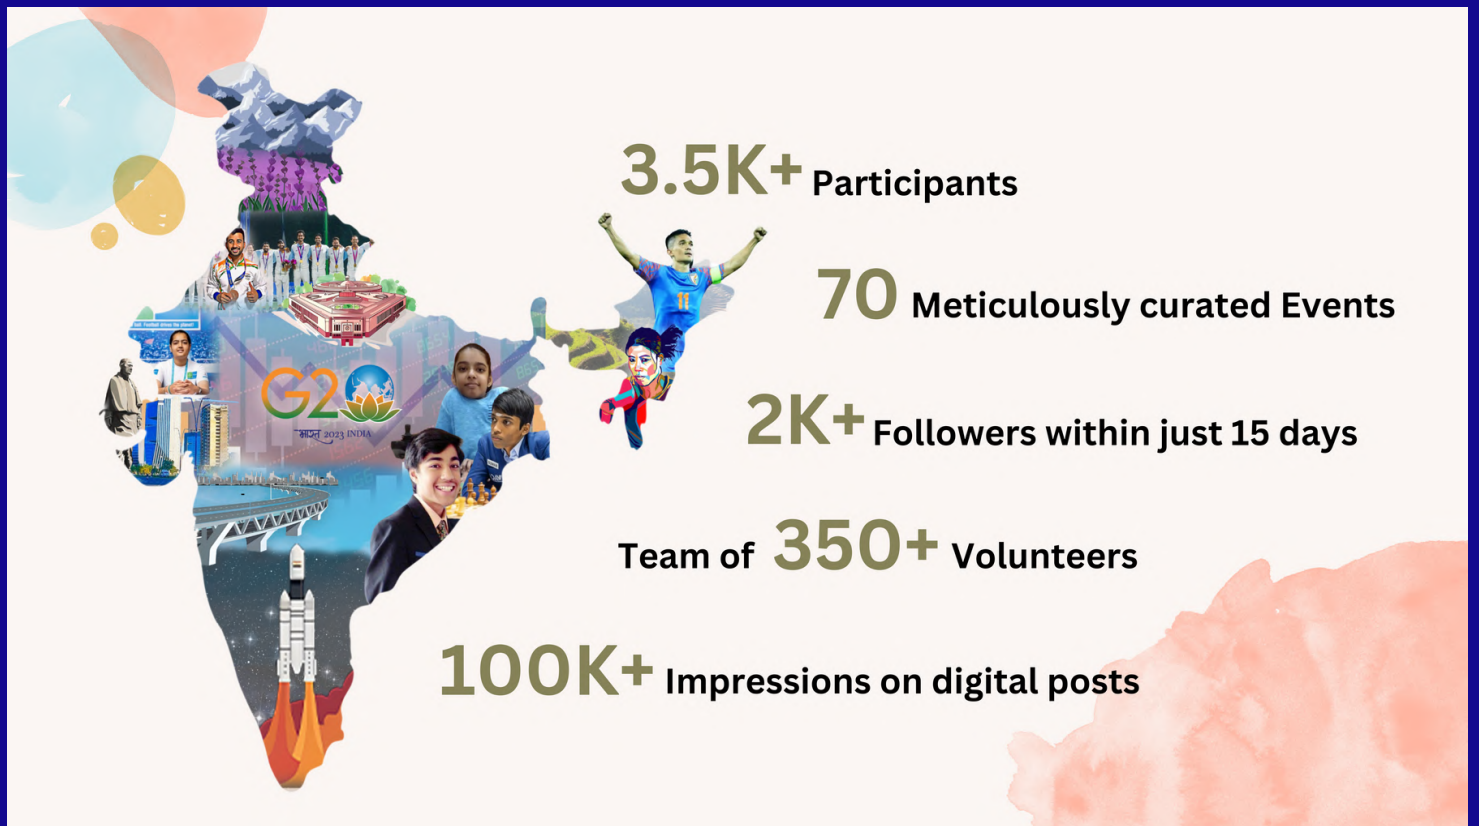

DR. GARGI RAJPARA

I/C. DIRECTOR, KSV ; PRINCIPAL, LDRP-ITR

PHD FROM IIT, BOMBAY

- 31 YEARS OF PROFESSIONAL, RESEARCH AND TEACHING EXPERIENCE INVOLVED IN CONSULTANCY WORK OF MICRO CANAL NETWORK PLANNING AND DESIGN OF NARMADA SARDAR SAROVAR PROJECT.
- NUMEROUS RESEARCH PAPERS IN VARIOUS INTERNATIONAL PEER JOURNALS.
- A SUPERVISOR FOR MANY DISSERTATION PROJECT WORKS.

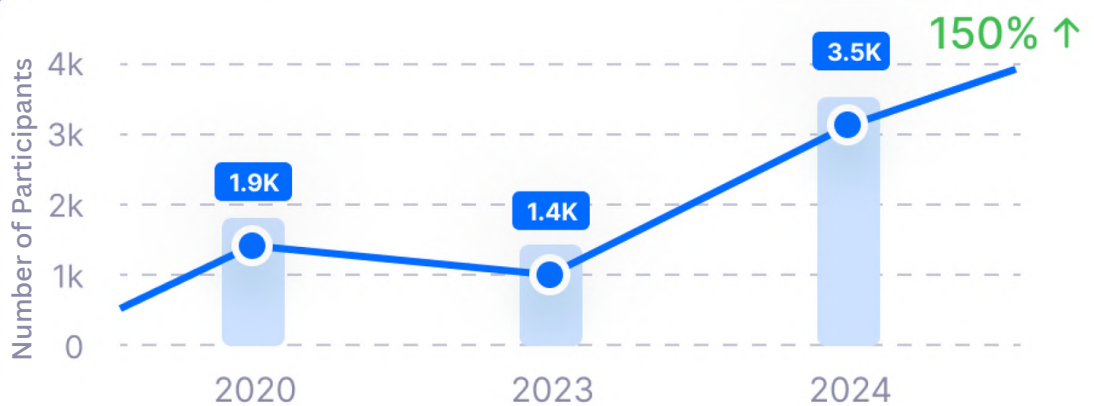

Xenesis Achievements

- The fest served as a digital spectacle, attracting over 3500 participants across 70 meticulously organised events, showcasing the diverse talents of our student community.
- This robust online engagement underscores Xenesis' ability to seamlessly blend tradition with innovation, reaching new heights and setting benchmarks for future endeavours.

Social Media Highlights

Social Media Reach

- Xenesis 2024 marked a resounding success on the digital front, creating waves of excitement and engagement across social media platforms. With a staggering 1 lakh plus reach, our online presence transcended boundaries, capturing the attention of a vast audience.
- The virtual realm witnessed an unprecedented surge, with our social media platforms experiencing an impressive upswing to 2k+ followers in just 15 days. This meteoric rise in followers is a testament to the fest's dynamic content, captivating promotions, and the growing interest in Xenesis. As we reflect on these remarkable numbers, it is evident that Xenesis 2024 not only resonated with our immediate community but also extended its impact far and wide, creating a buzz that reverberated across the digital landscape. This robust online engagement underscores Xenesis' ability to seamlessly blend tradition with innovation, reaching new heights and setting benchmarks for future endeavours.

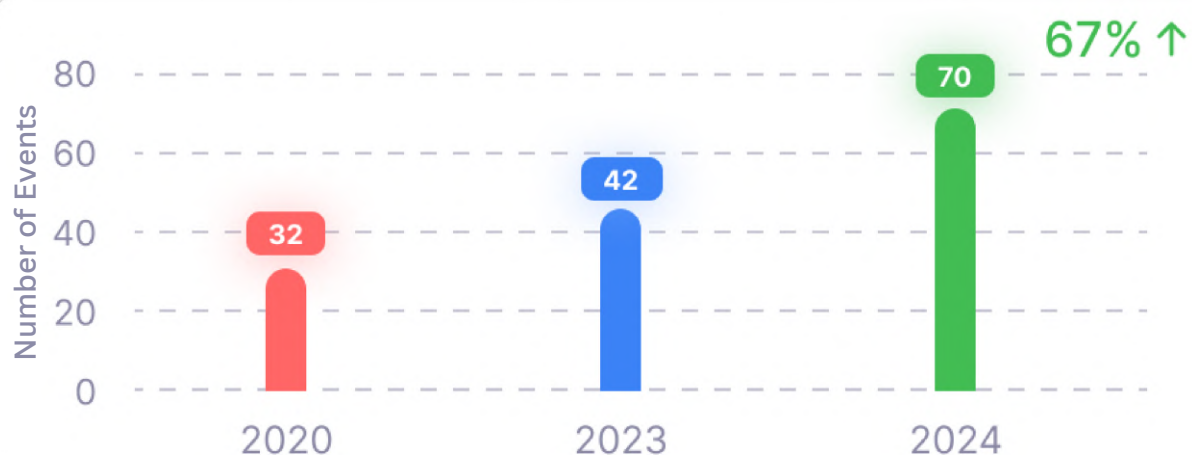

Performance Summary

- Xenesis 2024 witnessed a thrilling competition across diverse event categories, further emphasising our commitment to fostering talents beyond conventional boundaries. In the realm of technical prowess, the event winners were crowned in various categories:

- **Non Technical - Computer/Mobile - X-Ultimate Clash**
- **Non Technical - Non Computer - X-Cricket**
- **Technical - Non Computer - X-CodeHunt**
- **Technical MBA/MCA - X-Stall Zone**
- **Technical - Other Department - X-Laser Hunt**

- These remarkable victories were not only a testament to the participants' expertise but also a reflection of the collaborative spirit that defines Xenesis. **The Participation Champion Class, a coveted title, was clinched by the 4th Semester G-Division**, whose collective enthusiasm and engagement surpassed the competition. This outstanding level of participation underscores the fest's success in providing a platform that resonates with students across various disciplines. As we celebrate these victories, we also applaud the spirit of healthy competition and collaboration that defines Xenesis, solidifying its status as a beacon of excellence and inclusivity.

Alumni Meet

The Alumni Meet during Xenesis 2024 was an enchanting journey down memory lane as we welcomed back our esteemed alumni. The fest featured captivating performances, including a mesmerising Bharatnatyam dance showcasing our rich Indian cultural heritage and a soul-stirring orchestra that resonated with nostalgia. Our accomplished alumni took the stage, sharing their valuable experiences as proud members of the IEEE Student Branch at LDRP-ITR since 2014. Their speeches highlighted the transformative journey they underwent and the dedication they brought to the institute, contributing to the vibrant atmosphere we cherish today. The alumni not only reminisced about their time but also emphasised the importance of seizing opportunities and pushing boundaries.

Conclusion

In retrospect, Xenesis 2024, marking 15 years of innovation, was a resounding success. With a rich history of 70 diverse events, an engaging theme of "Young India, New India," and a memorable Alumni Meet, the fest showcased its dynamic evolution. Notably, the digital committees drove a remarkable online presence, reaching over 1 lakh individuals, gaining 2k+ followers in 15 days, and attracting 3600+ participants. The fest's commitment to holistic growth, leadership, and innovation was evident in the event winners and the participation champion class. As we celebrate Xenesis' past, we eagerly anticipate its continued success and evolution in the future.
