

A REPORT ON
**NAVIGATE IT ODYSSEY:
CAREER MAPPING**

Date: 13th February, 2024

Venue: Dr. C.V. Raman Hall, B-Block, Silver Oak University

**NAVIGATE IT ODYSSEY:
CAREER MAPPING**

Hiren Deliwala

Solutions Architecture Leader at AWS
Public Sector (SLG +K12), USA

Introduction:

Silver Oak University IEEE Student Branch in association with **AWS Cloud Clubs, Silver Oak University** organized an insightful session titled "**Navigate IT Odyssey: Career Mapping**" aimed to provide participants with valuable insights into various IT fields, catering to both beginners and those seeking to deepen their understanding of the subject matter.

About the Speaker:

The event was led by **Mr. Hiren Deliwala**, a distinguished Solutions Architecture Leader at AWS Public Sector (SLG +K12), USA. Mr. Deliwala, renowned for his leadership and dedication to fostering knowledge sharing within the industry, brought invaluable insights to the table.

About the Session:

Date: 13th February, 2024

Time: 12:00 PM - 01:20 PM

Venue: Dr. C.V. Raman Hall, B-Block, Silver Oak University

Participants: 140

The event was graced by Dr. Satvik Khara, with Mr. Hiren Deliwala. Dr. Khara warmly welcomed the expert and presented him with a token of gratitude. This esteemed gesture established the foundation for a profound exploration into the domains of the tech industry. Additionally, Prof. Digant Parmar extended felicitation by presenting a keepsake to Mr. Hiren Deliwala, further enriching the occasion with appreciation and goodwill.

The session commenced with the speaker drawing upon his extensive professional experience, spanning various job roles, to elucidate the evolving landscape of many technologies. Following the introductory segment, he engaged the audience in an interactive discussion, encouraging participants to share their interests and objectives concerning a career in IT. Attendees eagerly expressed their queries and aspirations, fostering a dynamic learning environment.

The speaker shared insightful anecdotes from his professional journey, including his transition to AWS after holding a vice president position at an IT company. Drawing inspiration from Jeff Bezos, he emphasized the importance of prioritizing customer satisfaction in the realm of cloud services. Moreover, he elucidated practical strategies for initiating a career in IT, highlighting the significance of hands-on experience and continuous learning. As a Solutions Architecture Leader, he provided guidance on leveraging emerging technologies to stay ahead in the field.

During the event, the expert led an interactive activity where attendees paired up to discuss their motivations for pursuing careers in AWS. This collaborative exercise fostered insightful exchanges and reinforced the attendees' commitment to their professional aspirations. In concluding remarks, the expert extended an invitation to the students to address any remaining inquiries they may have. The students eagerly grasped this opportunity, seeking guidance on commencing their careers in cloud computing, among other topics. The event served as a catalyst for attendees to further explore the AWS ecosystem, prepare for leadership roles, engage in training programs, and pursue certifications to enhance their careers in the field of cloud computing.

Conclusion:

In conclusion, the event "Navigate IT Odyssey: Career Mapping" provided valuable insights into tech domains, equipping participants with foundational knowledge and practical strategies for career advancement. His expertise and engaging presentation style, coupled with his role as a Solutions Architecture Leader at AWS Public Sector USA, contributed to the success of the event, leaving attendees with a deeper understanding of cloud technology and its vast potential in the digital age.

This was only possible because of Dr. Satvik Khara, Dean, Diploma Engineering, SOU; Head, Department of Computer Engineering, SOCET; IEEE Senior Member; Chairperson, SIGHT, IEEE Gujarat Section; Secretary, Computer Society, IEEE Gujarat Section and Founding Member, Silver Oak University IEEE Student Branch, for his constant guidance and pivotal encouragement.
