Brief Description:

The Department of Information Technology in association with the IEEE Computer Society Student Branch Chapter of Sri Sairam Engineering College successfully conducted a event On the title "SPEECH CRAFT 2.0" on 1st May 2024. The event kick-started at 6.00 PM where Mr.Adithya B, Vice Chairperson, SEC IEEE CS SB Chapter and Mr. Vignesh L, Project Advisor, SEC IEEE CS SB Chapter greeted the gathering through their welcome note.

Speech Craft Event 2.0, Exclusively tailored for IEEE student members, it integrates tech innovation with communication skills through blog writing and debates, promoting creativity and collaboration.

Commencing on May 1st, 2024, the event unfolded with the first round held on Google Meet at 6:00 PM. Participants engaged in the art of written expression, crafting insightful blog posts on a designated tech topic. Their diverse perspectives and innovative ideas laid the foundation for an intellectually stimulating discourse.

Continuing the momentum, the second round of debates took place on May 2nd. Under the adept guidance of Mr. Adithya B, Vice Chair, and Mr. Vignesh, Project Advisor, participants showcased their oratorical finesse as they engaged in spirited discussions on intriguing topics, articulating and defending their viewpoints with conviction.

The event fostered an environment of intellectual growth and collaboration, providing students with a platform to showcase their creativity and passion for technology. As the event concluded, Mrs. Renukadevi extended a gracious Vote of Thanks, expressing appreciation to all participants and contributors for their dedication and enthusiasm. Speech Craft Event 2.0 exemplified the power of technology to inspire and drive positive change.
