**Brief Description:**

The Department of Information Technology in association with the IEEE Computer Society Student Branch Chapter of Sri Sairam Engineering College successfully conducted a event On the title "SPEECH CRAFT 2.0" on 1st May 2024. This unique event aimed to blend design innovation with imaginative flair, fostering a space where technology and creativity intersect.

The event commenced on May 1st, 2024, at 7:00 PM on Google Meet, with an enthusiastic welcome note from Mr. Mohamad Bilal, Design Advisor of SEC IEEE CS SB Chapter. His opening remarks set the stage for an evening filled with boundless creativity and artistic expression.

The first round of Pixel Palate 1.0 featured an engaging quiz, challenging participants to test their knowledge and creativity in the realm of design and technology. Through a series of thought-provoking questions, participants
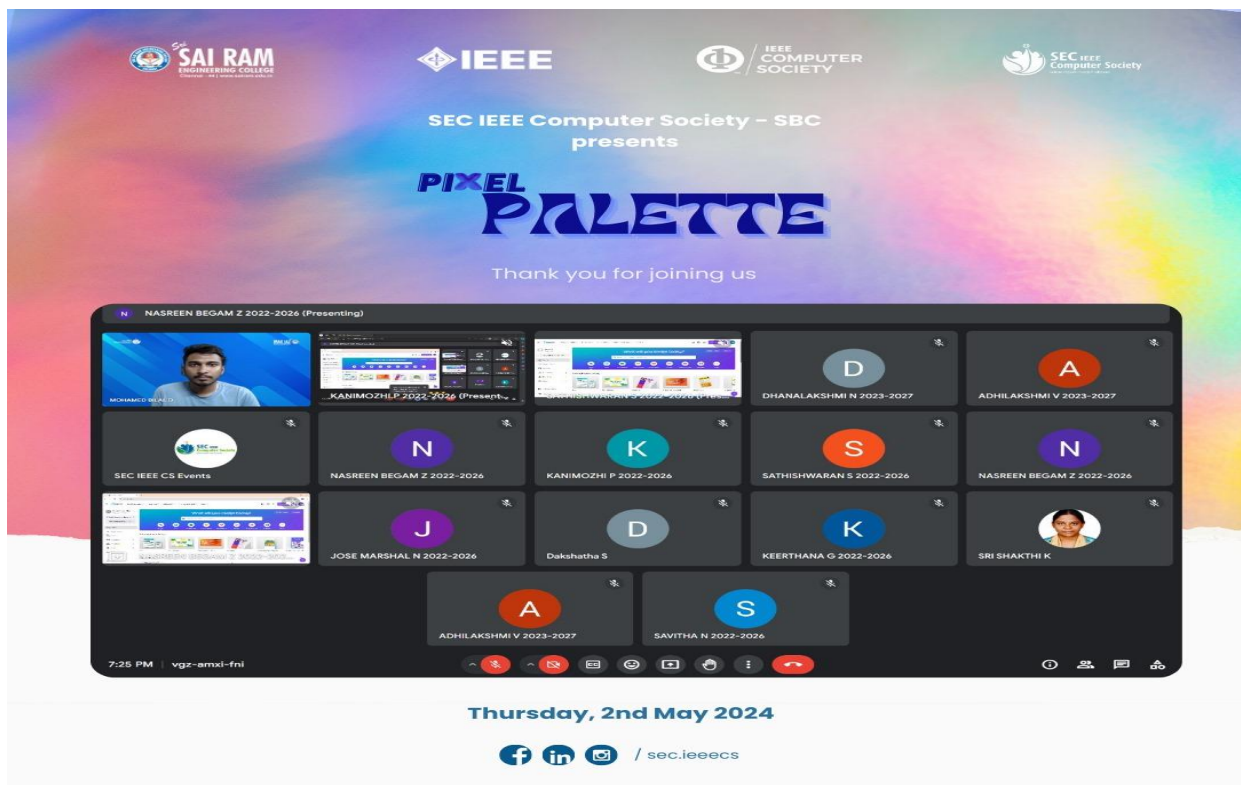

showcased their understanding of design principles and their ability to think innovatively.

Following the quiz, the event transitioned to the second round, where participants unleashed their artistic talents in a poster creation challenge. Guided by their passion for design and fueled by their imagination, participants crafted visually stunning posters that captured the essence of the given theme.

As Pixel Palate 1.0 drew to a close, Mr. Adhitya extended a heartfelt Vote of Thanks, expressing gratitude to all participants for their active involvement and creative contributions. Their dedication and enthusiasm were instrumental in making the event a resounding success.

Pixel Palate 1.0 was not just a celebration of design; it was a testament to the power of creativity and innovation. Through this event, participants had the opportunity to explore new horizons, push boundaries, and showcase their artistic prowess. As the curtains fell on Pixel Palate 1.0, it left behind a legacy of inspiration and creativity, inspiring future generations to harness the power of design to shape a better tomorrow.
