

IEEE Women in Sensors Day (WiSE Day Brazil 2024) at UDESC University

Euclides Lourenço Chuma, euclides.chuma@ieee.org

On June 05, 2024, the IEEE Women in Sensors Day (WiSE) on South Brazil was held at the Center of Technological Sciences at the Santa Catarina State University - UDESC, in Joinville, Brazil.

Lectures were held on the subject of sensors in their various areas of application.

There was participation of local and international researchers: Prof. Dra. Paola Saccomandi at Politecnico di Milano, Prof. Dra. Rosa Amalia Fireman Dutra at Federal University of Pernambuco, Prof. Dra. Cecília de Carvalho Castro e Silva at Mackenzie Presbyterian University, Dra. Gabriela Byzynski Soares.
