Organizes

A Workshop on Research Grant Proposal Writing for DST

Dr. J Jayakumar

Professor, Division of Electrical and Electronics Engineering,
School of Engineering and Technology
Karunya Institute of Technology and Sciences
Coimbatore-641114, Tamil Nadu, India

21 August 2024

10:00 AM – 12:30 PM

📍 Tejas Seminar Hall

Organizing Committee

Dr. Vinoth Kumar K

Professor and Associate Head – R&D
Advisor – IEEE PELS NHCE SBC

Dr. Revathi V

Dean R&D

Dr. Manjunatha

Principal

Event Report

Title	Workshop on “Research Grant Proposal Writing for DST”	
Department	Electrical and Electronics Engineering	
Date	From: 21.08.2024	To: 21.08.2024
Time	From: 10:00 AM	To: 12:30 PM
Brief Description (4-5 Lines Max)	<p>Department of Research and Development organized the Workshop on Research Grant Proposal Writing for DST held on 21st August 2024, Wednesday, between 10:00 AM to 12:30 PM in association with IEEE Power Electronics Society Bangalore Chapter and IEEE PELS NHCE SBC at Tejas Seminar Hall, NHCE Bengaluru. Dr. J Jayakumar, Professor, Division of Electrical and Electronics Engineering, School of Engineering and Technology, Karunya Institute of Technology and Sciences served as Resource Person for this workshop. This lecture provides a information about proposal writing and also discussed about the templates of proposal. He outlined the difference between academic writing and general writing and provided his insights regarding the same. Thereafter, he identified several generic issues faced by writers and addressed them accordingly. Some of them are as follows – fixed mindset of not being able to write, lack of creativity, lack of vocabulary, inability to convey one’s thoughts through sentences and uncertainty of where to begin the process of writing. He addressed these concerns by providing simple yet resourceful answers. The workshop proceeded to its next topic of discussion, namely, common errors made by writers. Informal language, improper use of words/synonyms, punctuation, lengthy sentences/paragraphs, tense usage, plagiarism of texts, consistency and typos were identified to be the most common mistakes of a writer and were discussed accordingly. The feedback is very positive and encouraging. The eminent expert from the KITS delivered the lecture and his talk has been very well received by the 74 participants. 74 faculty members are benefitted.</p>
