<b>ETSA-IETE-IEE SPS INDUCTION PROGRAM 2024-25</b>		

**Date:** 31<sup>st</sup> August, 2024

**Time:** 03:00 pm to 05:00 pm

**Venue:** LRDC Hall, PCCOE, Pune

### About the Event:

An induction program for student chapters like ETSA (Electronics and Telecommunication Students' Association), IETE (Institution of Electronics and Telecommunication Engineers), and IEEE SPS (IEEE Signal Processing Society) was held on August 31, 2024. It was a pivotal event and aimed at welcoming and integrating new members into these professional and academic societies.

The program commenced with auspicious lighting of lamp followed by Saraswati Vandana. The Chief Guest for the program, Mr. Yogiraj Deokar (an expert in Entrepreneurship Development, and having over 25 years of experience, holding multiple degrees, including two MBAs) was welcomed and felicitated by the Deputy Director, Mr. Nilkanth Chopade. Significance of these societies was highlighted by a short video of glimpses including the activities conducted by these Student Chapters. The anchors, Rewa and Shreeya introduced their impact on students' academic and professional growth.

Mr. Chopade addressed the students with his insights and motivated them to carry out their responsibilities well. Dr. K. S. Kinage also explained the importance of time management and active participation in the teams which will help the students in future. The students were then addressed by the Chief Guest, Mr. Yogiraj Deokar. He discussed various key points such as,

- i) Levels of Knowledge
- ii) Giving and Receiving
  - Receiving levels – listening, responding, valuing, organizing and characterization
- iii) Vision and Mission
- iv) Strategy
- v) Habits – Discussing about the Bell Curve concept

He highlighted the importance of these points through various real-life experiences that he had in his early life. He thus made the session more interactive and engaging.

The occasion marked a significant milestone as the commitment and leadership of each individual was honored. Chief Guest, Mr. Deokar presented the badges to the Advisors (Students of B.tech) for academic year 2024-25, followed by the presentation of badges to all newly appointed office bearers by expert guide of IEEE Family, Dr. Varsha Harpale, Chair of IEEE SPS Pune Section and ETSA-IETE-IEEE SPS faculty

coordinator, Mrs. Ashwini Shinde, Dr. Deepti Khurge, Dr. Rajani P.K. and Dr. Varsha Bendre. The event included networking sessions where new members could interact with senior members, faculty advisors.

The felicitation of Team Automaton, the robotics research and development team from Pimpri Chinchwad College of Engineering (PCCOE), Pune was done at the event for achieving All India Rank 2 in DD ROBOCON 2024 and also involving in space robotics through the ISRO Robotics Challenge-URSC 2024.

The program then proceeded with the oath taking ceremony by President, Vice-Presidents of ETSA-IETE and Chairman, Co-chairman of IEEE SPS Student Chapter. The event concluded with an acknowledgment of the efforts of organizing teams, and a motivational speech encouraging active participation and involvement in the chapters by the President of ETSA-IETE, Isha Deshpande and Chairman of IEEE SPS, Rasika Wakte.

Overall, the induction program was designed to inspire and equip new members with the knowledge and enthusiasm needed to actively participate in the various activities and opportunities offered by ETSA, IETE, and IEEE SPS.

### Glimpses of the Event:

Lighting of the lamp

Chief Guest – Mr. Yogiraj Deokar  
(HoD – EnTC and Faculty coordinators of IEEE SPS on dias)

Honoring Advisors followed by newly appointed office bearers
