

IEEE SB NBKRIST 2024-2025

Event report

Event Name	: Codemania
Conducted On	: 1 st oct 2024
Venue	: CSE Block
Event Organized By	: 4th year IEEE members
No of participants	:158

About the event:

CODEMANIA, the kickoff event for IEEE Day 2024, was an exhilarating coding competition designed to challenge and inspire student programmers. Organized by the DSA Domain Group of IEEE SB NBKRIST, this event showcased the coding prowess of our students and fostered a spirit of healthy competition.

CODEMANIA featured two intense coding challenges that tested participants' problem-solving skills, coding efficiency, and debugging abilities:

1. Codeathon

- Participants faced a series of algorithmic problems of varying difficulties
- Time-bound competition to test both speed and accuracy
- Problems designed to cover a range of topics including data structures, algorithms, and optimization

2. Debugging Challenge

- Contestants were presented with faulty code snippets
- Task was to identify and fix bugs within a specified timeframe
- Tested not only coding skills but also attention to detail and understanding of common programming pitfalls

Highlights:

- Intense competition with participants showcasing high levels of coding skills
- Real-time leaderboard kept excitement levels high throughout the event
- Challenging problems that pushed participants to think creatively and efficiently

- Positive feedback from participants on the quality and variety of challenges

Conclusion:

CODE-MANIA successfully kicked off the IEEE Day 2024 celebrations with high energy and enthusiasm. The event not only tested the coding skills of our students but also inspired many to further hone their abilities in competitive programming. The success of this event sets a positive tone for future coding competitions and workshops organized by IEEE SB NBKRIST.
