

# IEEE SB NBKRIST 2024-2025

## Event report

<b>Event Name</b>	: Innovacion Magazine Launch
<b>Conducted On</b>	: 1 <sup>st</sup> oct 2024
<b>Venue</b>	: CSE Block
<b>Event Organized By</b>	: 4th year IEEE members

### About the event:

The launch of Innovacion Magazine marked a significant milestone in our IEEE Student Branch's journey towards fostering innovation and creativity. This student-led publication aims to showcase cutting-edge projects and inspire the next generation of technologists. Successful launch of a platform for showcasing student innovations, Increased awareness of ongoing projects within the institution, Strengthened connections between students, faculty, and industry, Inspired more students to pursue and document their innovative ideas

The launch of Innovacion Magazine represents a significant step forward in nurturing a culture of innovation and knowledge-sharing within our IEEE Student Branch. The event not only celebrated the hard work of the editorial team but also set the stage for a continuous flow of creative ideas and technological advancements from our student community.

The overwhelming response to the launch and the positive feedback from industry professionals underscore the importance and potential impact of Innovacion. As we move forward, we are excited about the prospects of this initiative in shaping the next generation of innovators and thought leaders in technology.
