IEEE DAY 2024 EVENTS

- **Title :** "Why IEEE?"
- **Nature of the Event**: Panel Discussion
- **Date :** 7th October 2024
- **Time :** 11:00am to 1:00pm
- **Speaker(s) Details :** 1. Rashi Agarwal - an Associate Product Manager at Drivex and former Chair of the IEEE NHCE Student Branch.
  2**.** Sambhav Singh **-** Business Development Associate at Leadsquared and former Membership Development Chair.

- **Event Overview:**

  The IEEE NHCE Student Branch and MTT-S together hosted an insightful panel discussion, this event aimed to provide students with a deeper understanding of the numerous benefits IEEE membership offers. The emcee and moderator, Anish B, kicked off the session by warmly welcoming the dignitaries, faculty members, students, and esteemed alumni, setting a positive and engaging tone for the event.

  The panel featured two prominent alumni speakers: Sambhav and Rashi, both the speakers shared their remarkable personal journeys with IEEE, highlighting how the organization was pivotal in shaping their academic and professional paths. They delved into how IEEE fostered their career growth through networking, innovation, and the ability to stay connected with global industry trends.

  Interaction with the Panellists:

  The interactive session saw students actively engaging with the panelists, discussing key concerns such as the cost of membership. Sambhav and Rashi offered reassuring responses, emphasizing the incredible return on investment through access to global resources, professional development opportunities, and the chance to participate in transformative projects. Their real-life examples inspired attendees, who expressed newfound appreciation for the value of IEEE membership.

  The event also featured a presentation by Madhumitha, Vice-Chair of the Membership Development Committee, who provided an informative overview of how students could join the IEEE NHCE team. This presentation reinforced the sense of community and collaboration that IEEE fosters, encouraging students to seize the opportunities for learning and growth that membership offers.

Feedback and Success:

The panel discussion was met with enthusiastic feedback from attendees, who appreciated the candidness of the alumni and their clear, relatable insights. The event was recognized as a huge success, with both the audience and alumni expressing satisfaction with the organization and the value it brought to IEEE Day celebrations.

Conclusion:

"Why IEEE?" was an inspiring and informative event that successfully showcased the countless benefits of being part of the IEEE community. It not only addressed common questions and concerns but also fostered a deeper understanding of the opportunities IEEE offers for academic and professional growth. The event concluded on an optimistic note, marking the close of the IEEE Day celebrations at NHCE, and left students eager to explore the potential that IEEE membership can unlock for them.
