

A Report on

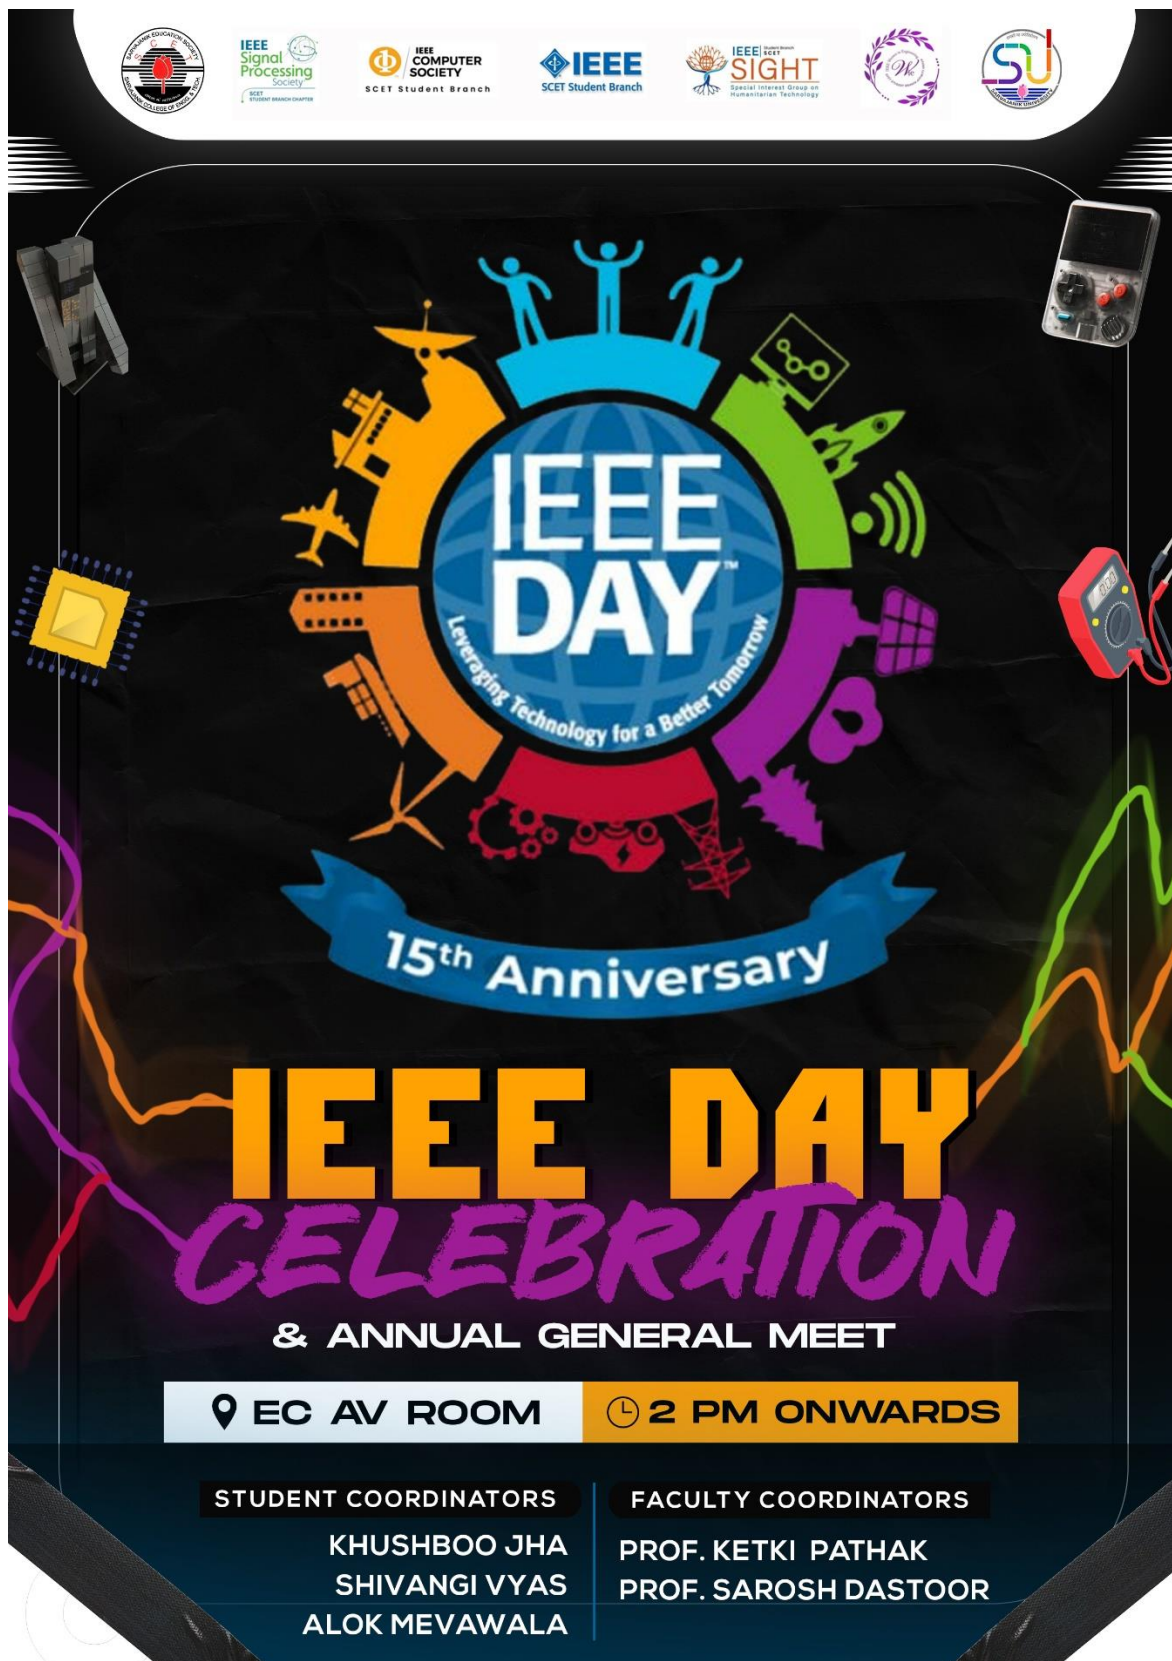

IEEE DAY CELEBRATION

&

AGM

POSTER OF THE EVENT :

The poster is for the IEEE Day 15th Anniversary Celebration & Annual General Meet. It features a central circular graphic with 'IEEE DAY' in white text on a blue background, surrounded by various technology icons like a satellite, airplane, rocket, and circuit board. Below this, a blue banner reads '15th Anniversary'. The main title 'IEEE DAY CELEBRATION' is in large, bold, orange and purple letters, followed by '& ANNUAL GENERAL MEET' in white. At the bottom, there are two rows of text: 'STUDENT COORDINATORS' and 'FACULTY COORDINATORS'. The background is dark with colorful, glowing lines and icons of electronic components like a multimeter and a microchip.

Logos at the top include:

- IEEE Signal Processing Society
- IEEE Computer Society
- IEEE SIGHT
- IEEE Student Branch
- IEEE Student Branch
- IEEE Student Branch
- IEEE Student Branch

Central Graphic:

📍 **EC AV ROOM** ⌚ **2 PM ONWARDS**

STUDENT COORDINATORS

KHUSHBOO JHA
SHIVANGI VYAS
ALOK MEVAWALA

FACULTY COORDINATORS

PROF. KETKI PATHAK
PROF. SAROSH DASTOOR

INTRODUCTION :

IEEE Day is an annual global event that celebrates the anniversary of the first time engineers worldwide gathered to share their technical ideas in 1884. Held on the first Tuesday of October, it recognizes the role of technology in driving innovation and connecting people around the world.

This IEEE Day, celebrated on October 1st, 2024, marks a special occasion for the global IEEE community to unite under the theme of *"Leveraging Technology for a Better Tomorrow."* It is a time for engineers, technologists, and innovators to come together, share ideas, and showcase how cutting-edge advancements can positively impact society. Across the world, IEEE members are organizing a wide array of events, from technical workshops and discussions on emerging technologies like AI, IoT, and renewable energy, to collaborative projects aimed at addressing global challenges.

OVERVIEW :

The IEEE Day celebration at SCET, held on 5th October 2024, was a vibrant and memorable event. It began with Khushboo Jha, Ambassador for IEEE Day 2024, delivering an insightful speech about the history of IEEE Day and IEEE itself. She then led the curtain-raising ceremony for the newly formed IEEE chapters at SCET, including IEEE SCET CS SBC (coordinated by Vandana Joshi), IEEE SCET WIE SBA (coordinated by Pariza Kamboj), and IEEE SCET SIGHT SBG (coordinated by Chirag Paunwala). The faculty coordinators and their respective executive committees were acknowledged, shedding light on their new ventures.

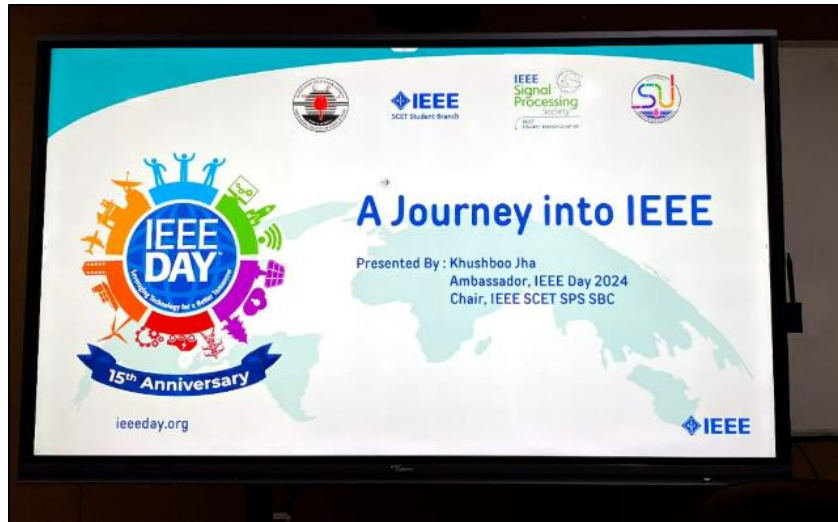

Following this, Alok Mevawala, Secretary of IEEE SCET SB, provided glimpses of the events organized at SCET throughout the year, followed by the Annual General Meet (AGM). Niyati Majumdar, Secretary of IEEE SCET SPS SBC, highlighted the chapter's achievements at the Student Chapter Congress (SCC), underscoring the recognition received by SCET SPS SBC.

The event then proceeded with the distribution of certificates to SCC volunteers, culminating in a special moment where the SCC award was presented to the principal of SCET. A celebratory cake-cutting ceremony added joy to the occasion.

An appreciation ceremony followed, where volunteers of IEEE SCET were recognized for their dedication and contributions. The showcase of the IEEE SCET website was another highlight, marking the digital presence of the student branch. The session concluded with inspiring speeches from faculty members Ketki Pathak and Sarosh Dastoor, adding valuable insights to the day's celebration.

All participants received goodies from IEEE SCET, leaving the event with a sense of pride and accomplishment, making IEEE Day 2024 a remarkable occasion for SCET.

GLIMPSE OF CELEBRATION :

STUDENT COORDINATORS :

Khushboo Jha (Ambassador, IEEE Day 2024), Shivangi Vyas, Alok Mevawala

STUDENT VOLUNTEERS :

Chharrvi Batra, Piyush Singh, Krushang Prajapati, Aashvi Narang, Dev Joshi, Dhruvil Moga, Dhruvil Fulwala

FACULTY COORDINATORS :

Prof. Ketki Joshi and Prof. Sarosh Dastoor
