

REPORT

IEEE DAY 2024

Date: 4th October 2024

G H Patel College of Engineering & Technology,
CVM University

Introduction

IEEE Day, 2024 celebration hosted by IEEE GCET SB, was an one-day event held on October 4th, 2024, filled with exciting festivities and community spirit. IEEE Day was a vibrant celebration, featuring an array of engaging activities, from thrilling games to the joyous cutting of a celebratory cake. It was a day dedicated to embracing the spirit of innovation, collaboration, and the rich heritage of IEEE.

About the Event

IEEE Day was an occasion to celebrate the impact of engineering on our daily lives and to promote IEEE's mission, which is to foster technological innovation for the benefit of humanity. The day marked not only the birth of IEEE but also the empowerment of everyone to shape a better tomorrow through engineering and innovation. IEEE GCET SB organized some thrilling and intellectually stimulating team games and activities to celebrate IEEE Day 2024. Some of them are described below:

Whisper Challenge

In this game teams were provided headphones with , music and noise cancellation on and a sentence was given to them which they had to pass it on to their team members within 3 minutes. Hand actions were prohibited and the team closest to the original sentence won the challenge.

Spin the wheel

In this intriguing game, teams were supposed to spin the virtual wheel and there were tasks mentioned on each of the section of the wheel. On whichever task the wheel landed, the team had to complete that task in a time span of 2 minutes.

Balance the ball

This was a game that involved a lit bit of balance and quick thinking. Each team member of the team were given cardboard sheets. The last member had a hole in their cardboard through which they had to land the ball in a bowl at the finishing line. The had to balance the ball till the finishing line within 3 minutes.

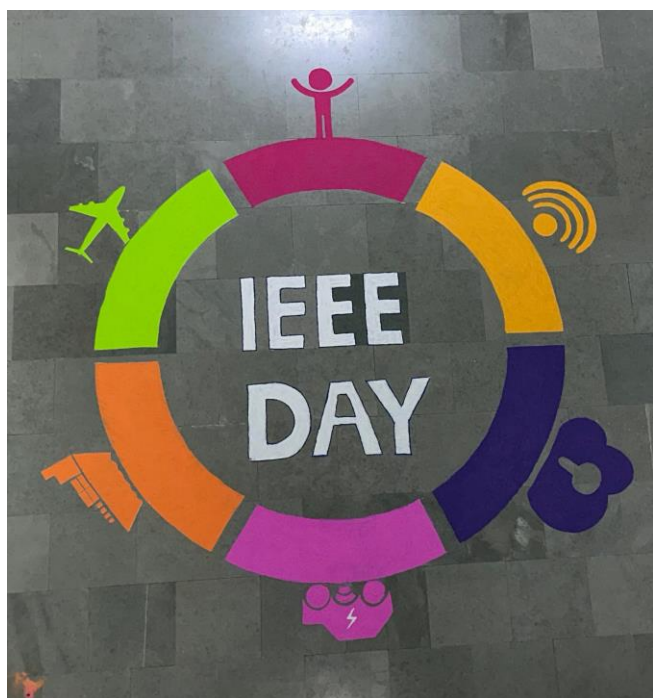

Steppy Islands

This classic game also added a fun element to the celebration, where two teams played against one another. A player from each team starts taking steps and as soon as they encounter the member on another team they compete in rock, paper, scissor and whichever team's member wins got the chance to move forward and the defeated team's member joins the end on the queue.

At the end of these activities, the top performing teams were rewarded with prizes.

Following these fun activities and networking sessions, there was a celebratory cake cutting to commemorate IEEE Day. Nearing the end of the celebrations, the attendees and organizing committee enjoyed dinner together.

Conclusion

The event organized by IEEE GCET SB was a resounding success, and it owes its success to the unwavering dedication and tireless efforts of the remarkable volunteers. The commitment, enthusiasm, and hard work displayed by the volunteers were instrumental in making the event a memorable and engaging experience for all participants. Their passion for technology and their willingness to contribute their time and expertise truly exemplified the spirit of IEEE.
