

ORIENTATION CEREMONY 2024

Date of Event: 10th OCTOBER'2024

INTRODUCTION:

As **IEEE Week 2024** came to a close on October 10th, an **orientation ceremony** was held, bringing together **IEEE Robotics and Automation Society, ZHCET, IEEE Women in Engineering, ZHCET, IEEE Student Branch, and IEEE Computer Society**. Representatives from each branch gave insightful presentations, offering an **overview** of their activities and encouraging student participation. The event also included a **prize distribution ceremony**, where winners of various competitions held during the 2023-2024 academic year were recognized and awarded by our esteemed guests. This marked a **fitting conclusion** to a week filled with technical learning, collaboration, and celebration of innovation. The ceremony emphasized the role of IEEE in fostering professional growth, while inspiring students to engage actively in future endeavors, solidifying the importance of the organization in the academic and professional landscape.

EVENT COMMENCEMENT:

The event commenced with a warm welcome to all the distinguished guests and participants. The presence of esteemed individuals greatly elevated the significance of the occasion, setting an inspiring tone for the proceedings.

The Guest of Honour:

- **Prof. Mirza Salim Beg** - Dean and Professor, ZHCET, AMU
- **Prof. M.M. Sufiyan Beg** - Principal and Professor, ZHCET, AMU
- **Dr. Qurratulain** - Special Guest
- **Fellow students and IEEE members**

Their valuable presence was acknowledged, encouraging active participation and engagement from the students and IEEE members.

KEYNOTE ADDRESS BEGINS:

The address begins with the **traditional recitation of a Quranic verse**, in accordance with **Aligarh Muslim University customs**. Following this, an **introduction to the respective IEEE clubs** was provided, including **IEEE Robotics and Automation Society, IEEE Women in Engineering, IEEE Student Branch, and IEEE Computer Society, ZHCET**.

Each club's work was highlighted, covering their key contributions and activities. The events organized by these clubs included:

- Hosting various technical webinars
- Conducting workshops and competitions
- Organizing interactive sessions with industry experts

The teams of each club were then introduced, beginning with their Chairpersons, Secretaries, and Heads of respective domains, acknowledging their efforts and leadership in steering the activities throughout the year.

NEWSLETTER 2024:

The **IEEE Robotics and Automation Society, ZHCET**, proudly unveiled its **2024 Newsletter**, a comprehensive **reflection of the year's accomplishments, events, and initiatives**. This newsletter serves as a magazine-like resource aimed at enhancing student understanding and engagement with the society's activities. It **captures the essence of the technical workshops, webinars, and competitions organized throughout the year**, providing valuable insights into the diverse opportunities offered for skill development and professional growth. By compiling these experiences, the newsletter aims to inspire students and foster a deeper connection with the field of robotics and automation.

AWARDS DISTRIBUTION:

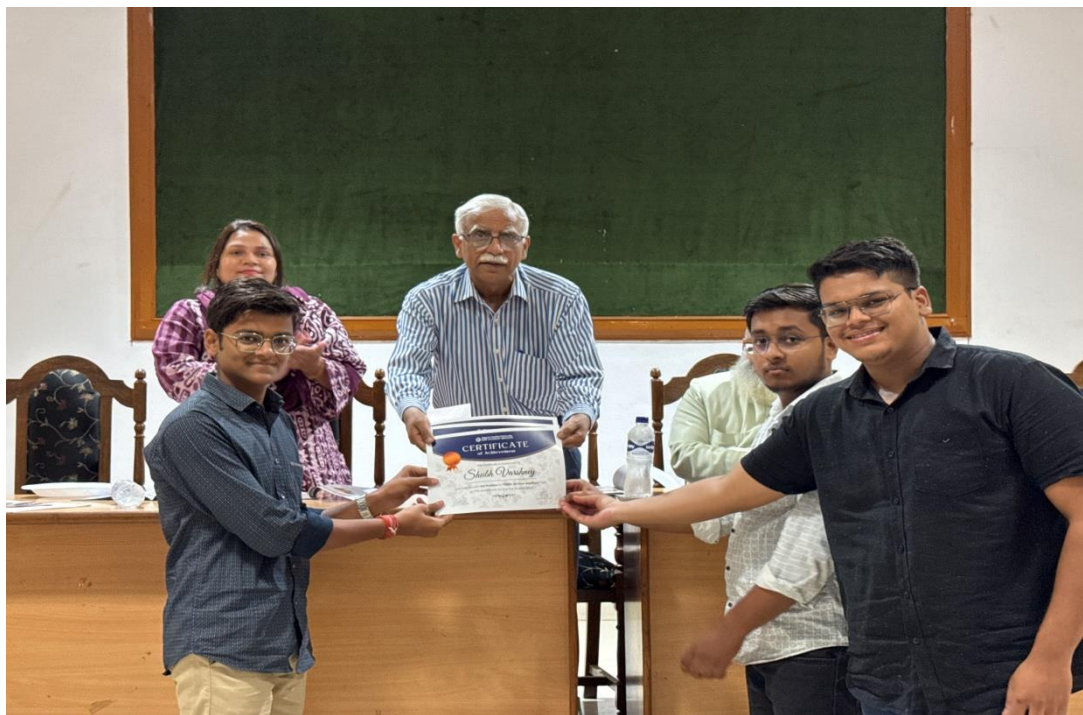

Following the introductions, an award distribution ceremony took place to honor the winners of various competitions held throughout the year and during IEEE Week.

The awards were presented by our esteemed guests to the winners of the following events:

- Ideathon Event
- Code O Fiesta 3.0

- Tech Quiz
- Photography Competition
- Cyber Fusion Clash Quiz
- Amplify 2024: OP-AMP Design Contest

ADDRESS BY GUESTS:

The address commenced with insightful remarks from **Prof. Mirza Salim Beg, Dean of ZHCET**, who emphasized the importance of innovation and collaboration in today's rapidly evolving technological landscape. He encouraged students to actively engage in IEEE activities, highlighting how participation can enhance their skills and prepare them for future challenges. His words resonated with the audience, inspiring them to pursue excellence in their academic and professional endeavors.

Following the Dean, **Prof. M.M. Sufiyan Beg, Principal of ZHCET**, addressed the gathering with motivational insights. He applauded the efforts of the IEEE clubs and the students involved in various competitions and events throughout the year. Prof. Sufiyan Beg urged students to embrace opportunities for learning and growth, reinforcing the value of teamwork and community involvement. His encouragement underscored the significance of active participation in shaping their future careers in engineering and technology.

CLOSING:

In the **Vote of Thanks**, heartfelt gratitude was expressed to our esteemed guests, **Prof. Mirza Salim Beg, Prof. M.M. Sufiyan Beg, and Dr. Qurratulain**, for their invaluable contributions and support.

Acknowledgment was also extended to all the IEEE members and students who participated and made the event a success. Congratulations were offered to all participants of the various competitions, recognizing their efforts and achievements.

The **event concluded** on a harmonious note with the traditional **AMU Tarana**, a cherished anthem that embodies the spirit and unity of Aligarh Muslim University. This was followed by the **National Anthem**, fostering a sense of pride and patriotism among the attendees. The melodic performances served as a fitting end to a memorable gathering, leaving participants with a renewed sense of purpose and motivation to engage in their academic and professional journeys.

APPRECIATION:

We extend our heartfelt appreciation to all branches of IEEE for their commendable work and dedication throughout the year. Your commitment to promoting innovation, knowledge sharing, and professional development has significantly enriched our community. The organization of workshops, seminars, and competitions has provided invaluable learning opportunities for students. The spirit of teamwork demonstrated by all members is truly inspiring and has advanced IEEE's mission, fostering a vibrant environment that encourages growth and excellence in engineering and technology. Thank you for your outstanding contributions!
