Guest Lecture

DATE: 23rd September, 2024

TIME: 02:30 pm to 04:00 pm

VENUE: A-302

Speaker: Dr. P Raghavendra Rao, Adjunct Professor, RVR & JC Engineering College, Guntur

Topic: Science, Technology, Engineering and Creativity (Why Electrical Engineering?)

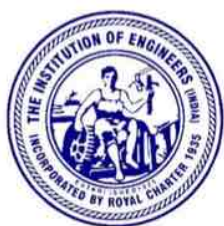

ANALYSIS:

The Institute of Engineers IE(I) had the privilege of hosting a guest lecture by Dr. P Raghavendra Rao, an esteemed Adjunct Professor at RVR & JC Engineering College, Guntur. The lecture was specifically tailored for the first-year students of the department.

Dr. Rao's insightful presentation delved into the intricate relationship between Science, Technology, Engineering, and Creativity (STEMC). He emphasized the pivotal role of electrical engineering in driving technological advancements and shaping the modern world. The lecture provided the students with a comprehensive understanding of the field and its vast applications.

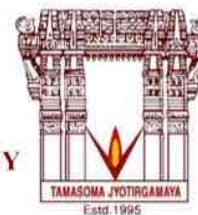

The lecture was highly interactive and engaging, with Dr. Rao encouraging students to ask questions and share their thoughts. His passion for the field was evident, and he inspired the students to consider pursuing a career in electrical engineering. Dr. Rao's lecture explored the historical development of electrical engineering, its interdisciplinary nature, and the importance of creativity in the field.

Overall, the guest lecture by Dr. P Raghavendra Rao was a valuable learning experience for the first-year students. It provided them with a deeper understanding of the field of electrical engineering and its significance in today's world. The students were grateful for the opportunity to learn from such a distinguished expert.
