

# IEEE Southeastern Michigan Section

Presents

## “Senior Membership Elevation 6<sup>th</sup> Round Up”

**IEEE**  
Southeastern  
Michigan

Electrical and Electronic Engineers Creating Our Future

IEEE Southeastern Michigan Section will reprise its Senior Member Round up event, on Nov 9<sup>th</sup>, 2024, between 10 AM and 12 noon. Senior Member Reviewers will assist interested member candidates with significant years of experience in their profession.

### The way it works is:

- At least 10 years of significant experience with bachelor’s degree needs be established to initiate the senior membership elevation.
- If you have a Master’s, that is equivalent to 2 years of significant experience. So, you will need 8 additional years to qualify.
- If you have a PhD degree - that is 5 years of significant experience, so you need 5 additional years of experience beyond that.

There is no cost to becoming a Senior Member, and this step is a necessary prelude to seeking the IEEE ‘Fellow’ level. Also certain positions with IEEE also require that a member have achieved senior status. For a complete description of the Senior Member process and its benefits, see the link:

[https://www.ieee.org/membership\\_services/membership/grade\\_elevation.html](https://www.ieee.org/membership_services/membership/grade_elevation.html)

Potential senior members, please register on this site for the event and be ready with copies of your resume, and relevant supporting materials (list of papers, books, patents, etc.), to share with reviewers.

*Existing Senior Members are requested to also register and assist potential new members with their application processing.*

### At A Glance

- **When:**  
Date: Nov 9, 2024  
Time: 10 to 12 noon (EST/EDT)
- **Where:**  
Oakland University, EC 281
- **Audience:** All Eligible/Potential Members and Senior Members (references)
