CAREER GUIDANCE EVENT REPORT

CRACKING THE GATE EXAMINATION: STRATEGIES FOR SUCCESS AND FUTURE JOB PROSPECTS

Date: FRIDAY, 04th OCTOBER 2024

Organizer: CAREER GUIDANCE CELL- SVIT, In Association with IEEE SVIT Photonics society and IEEE SSIT Bangalore Section

Resource Person: Dr. Gopal Krishna Hegde, Research Professor, Department of ECE, IISc, Bangalore

About Resource Person:

Dr. Gopal Krishna Hegde, Research Professor, Department of ECE, IISc, Bangalore, Scientific Officer with the Department of Bioscience Systems and Engineering, Indian Institute of Science, Bengaluru, India. His current research interests include photonics, nanophotonic, optical sensors, integrated optics, photovoltaics, and optical flow diagnostics

The event "Cracking the GATE Examination: Strategies for Success and Future Job Prospects" was held on Friday, 04th October 2024 at Swami Vivekananda Seminar Hall from 9.30 AM onwards. It aimed to equip aspiring GATE candidates with effective strategies for preparation and insights into career opportunities post-examination.

Dr. Ganesha Prasad M S, the Principal of SVIT, guided to organize the event by emphasizing the significance of Career Guidance on GATE Examination. His insightful remarks set the tone for the event.

Dr. Venkatesha M, Professor and HOD Department of ECE, and Dr. Nagashree N, Associate Professor, HOD, CSE(DS), Dr. Chaya B M, Convener of the Career Guidance Cell-SVIT, Prof. Anitha C S, Assistant Professor, Department of CSE(DS), along with Prof. Praveen B R, Assistant Professor, Department of ECE, Career Guidance Cell Coordinators, graced the event with their presence.

The Career Guidance Cell-SVIT organized an enlightening event on, focusing on "Cracking the GATE Examination: Strategies for Success and Future Job Prospects" to provide students with the most reliable and up-to-date information, so they may embark on a journey of greater opportunities and personal growth. The event also focused on to Equip participants with practical study techniques and resources to effectively prepare for the GATE examination. The event focused on to Highlight various career paths and job prospects available to GATE qualifiers in both public and private sectors. The speaker briefed to offer insights from industry experts and successful candidates on overcoming common challenges faced during GATE preparation. The event aimed to provide valuable insights and guidance to the pre final year B.E. students of ECE and CSE (DS) at SVIT on various competitive exams and their career prospects.

IMPACT ANALYSIS:

- Students gained valuable insights into effective study methods, exam strategies, and time management skills, enhancing their overall preparedness for the GATE examination.
- The event provided clarity on various career paths available to GATE qualifiers, including roles in public sector undertakings, research organizations, and private companies.

CO -PO MAPPING:

CO1: Gain Knowledge on oppurtunitites on higher education through GATE Examination, and to explore oppurtunites in it to build career.

Course Outcome	Program Outcomes											
	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
CO1	2	-	-	-	-	-	-	-	-	3	-	3

Dear Sir.,
Greetings form Department of ECE, Sai Vidya Institute of Technology.,

Sub: Speaker request for Career Guidance on GATE 2025

With reference to the above subject, We request your kind approval for speaker request for Career Guidance on GATE 2025 on **Monday, 09th September 2024.**

Target students are 5th and 7th semester students of BE (ECE/CSE/ISE/AI ML/ DATASCIENCE/EEE/MECHANICAL/CIVIL).

Kindly accept our invitation and do the needful.

For further coordination and event organizing details will be shared by Dr. Chaya B M, Associate Professor, Department of ECE, Career Guidance (CG) Cell SVIT Coordinator.

Thanks and Regards,

Dr. VENKATESHA MUNISWAMY

Respected Sir,

I am writing to inform you that, as per the current schedule at Sai Vidya Institute of Technology, our 7th-semester students will have their internships and project work starting **September 9th, 2024**. Additionally, the 5th-semester students will begin their placement training from the same date. Furthermore, we have an induction program planned for our 1st-year students on the 09th september 2024.

Due to these overlapping activities, we are **rescheduling the GATE expert talk** for these students.

We kindly request you to provide us with **suitable dates for the rescheduled event after September 22nd, 2024**.

Thank you sir for your understanding and cooperation.

Thanks and Regards,

Dr. VENKATESHA MUNISWAMY
