

Dear Engineering Society / STEM Nonprofit Representative:

The San Diego County Engineering Council (SDCEC) is pleased to announce the **February 18, 2025 San Diego Engineers Week Awards Banquet**. This event honors our tradition of paying tribute to San Diego's most innovative engineering minds, showcasing groundbreaking work and education in our communities, and fostering the next generation of engineers.

The San Diego Engineers Week Awards Banquet typically welcomes over 30 organizations and 300 engineers, educators, and engineering students. One third of which are college students. With a media following of over 3,800 San Diego Engineers, we anticipate 2025 to draw more participants than ever. We encourage you to be a part of the celebration and promotion of Engineering.

FOUNDER SUPPORT PACKAGE (\$500) is a way for local Engineering Society Chapters and STEM nonprofits to support the San Diego's Engineers Week Awards Banquet. Founders will be recognized during the banquet, on our website and social media. In addition, you will receive:

- **8 BANQUET TICKETS** for distribution to your members (custom packets available upon request)
- **1 ENGINEERING LEGEND** pioneer or historical role model ([visit our library](#)) representative of your organization to be featured through our banquet promotions. This can include individuals who have received society's highest technical honors.
- **SOCIETY PROMOTIONAL VIDEO** ([3 minutes length](#)) to be featured through promotional materials. You may also include student chapter videos.

DISPLAY TABLE (additional \$30) - Each society is encouraged to purchase a display to help promote your organization. Consider inviting your collegiate chapters to help staff your display.

AWARDS NOMINATIONS DUE DEC 11: The awards program recognizes the contributions of local individuals and projects that advance engineering and benefit the general public. Please nominate people or projects you feel are deserving of recognition. Let your members know the [Engineering Honor Award Nominations Close December 11](#). **The award categories include:**

- Outstanding Engineer
- Outstanding Engineering Service
- Outstanding Leadership in Engineering
- Outstanding K-12 Engineering Educator
- Outstanding Engineering Educator (post-secondary)
- Outstanding Engineering Project (Professional / Student)

CALL FOR SPEAKERS DUE JAN 2: All San Diego Engineers, professionals, and students are invited to submit an on-demand video / podcast / book to be featured as part of the San Diego Engineers Week Celebrations. Current trends in technology / innovation / professional development / inclusion / education are welcome. [Call for Speaker Abstracts are due by Jan 2](#). Final videos are due by Jan 20th.

MAKE YOUR PLEDGE TODAY! The SDCEC is a 501(c)(3) nonprofit through the CSPE Education Foundation EIN 68-0092524. You can [donate online via Paypal](#) or by check payable to "SDCEC". For more information or to pledge your commitment, email Sponsorship@SanDiegoEngineers.org.

Respectfully,

Ken Discenza, SDCEC Treasurer
