Utility representatives, researchers, and transportation experts will provide short presentations followed by a panel discussion about common pain-points and the path forward.

Participating:

- **Burlington Electric Department**
- **Washington Electric Coop**
- **EnergyHub**
- **Vermont Agency of Transportation**
- **Green Mountain Transit**
- **Vermont Electric Power Company (VELCO)**
- **Researchers from UVM's CREATE Center**
- **UVM's Transportation Research Lab**
- **and more!**
