

Event Description

The Department of CSE - AI & DS at SISTec (Gandhi Nagar & Ratibad, Bhopal) is organizing a motivational session titled **"MY STORY"**, featuring Dr. Preetam Suman, PhD from IIIT-Allahabad. Dr. Suman, who is the Division Head and Associate Professor of CSE-Core at VIT Bhopal University, will share his journey as a successful innovator. The event is scheduled for **Saturday, 14th December 2024**, starting at **12:30 PM onwards**. The session is convened by **Dr. Vasima Khan** and coordinated by **Mr. Abhuday Tripathi**. Dr. Preetam Suman, a PhD holder from IIIT Allahabad, is a distinguished academician with over eight years of experience. His areas of expertise include medical imaging, Big Data analytics, Cloud computing, AI applications, and embedded systems. He has contributed significantly to real-world innovations, such as developing sensor networks for wildlife conservation and using fMRI technology to detect brain tumors. Currently serving as the Division Head and Associate Professor at VIT Bhopal University, Dr. Preetam has published over 60 research papers in prestigious international journals and conferences. He is also an active member of professional bodies like the IEEE Technical Committee and IEEE Young Professionals, and his work continues to inspire countless young minds.
