

EVENT REPORT

Name of organizing unit: IEEE-SB of Knowledge Institute of Technology

School Code: 50065351

Branch Code: 08101

Venue: E Block Seminar Hall

Date of Event: 01-10-2024

Event Name: IEEE Day Celebration 2024

Target audience: IEEE Members

Snapshot:

Brief description:

On the occasion of IEEE Day 2024, the IEEE Student Branch at Knowledge Institute of Technology (KIOT) celebrated a day of innovation, collaboration, and learning. This year marks the 15th anniversary of IEEE Day, with the global theme "Leveraging Technology for a Better Tomorrow." The event brought together students, faculty, and technology enthusiasts to explore the impact of engineering and technology in shaping a sustainable future.

The event featured keynote addresses from distinguished IEEE members and interactive sessions that inspired participants to think about how technology can solve pressing global challenges. The student members of the IEEE branch also showcased their innovative projects that aligned with the IEEE vision of advancing technology for humanity. It was a vibrant occasion for knowledge-sharing, skill development, and fostering a spirit of innovation. The day concluded with a group photo to commemorate the 15th anniversary of IEEE Day, with the participants proudly holding banners that symbolized their commitment to leveraging technology for societal progress.
