## What is the IEEE Reliability Society?

- IEEE is the world's largest technical association, with publications, conferences, and technical communities.
- The Reliability Society consists of anyone interested in making "things" reliable.
- These are members of industry, government, and academia that perform research, development, and implementation of cutting-edge techniques to improve the life of systems and products.

## IEEE Quality and Reliability Quiz 2024

Thank you for participating in the IEEE Quality and Reliability Quiz 2024! This quiz aims to test your knowledge in quality assurance, reliability engineering, and IEEE standards. Be sure to manage your time effectively, as the quiz is timed.

### Quiz Details:

- **Number of Questions:** 100
- **Time Limit:** 1 hour (60 minutes)
- **Format:** Multiple choice (single correct answer per question)

### Instructions:

- **Answer each question carefully.** You will only be able to select one answer per question.
- **Submit only once.** Make sure to review your responses before submitting, as each participant is allowed only one submission.
- **Timed Submission:** The quiz will automatically close after 60 minutes.

### Results and Scoring:

- Your score will be calculated based on the number of correct answers.
- Results will be displayed immediately upon submission, including your score and correct answers.
- A minimum score of [Insert Passing Score, if applicable] is required to pass.
