Event Summary:

The BEC IEEE PES SBC organized an enlightening session titled "*Life After Graduation*" on 15th December 2023. The event aimed to address the concerns and uncertainties faced by students as they prepare to transition from academic life to professional careers.

The session was graced by Mr. Sachin Naik, a distinguished alumnus of the EEE Department (Batch of 2004) and Senior Staff Software Engineer at Visa Worldwide PTE Ltd., Singapore.

Key Highlights:

1. Insights into Career Choices:

Mr. Sachin Naik provided invaluable insights into various career paths, including industry, higher education, and entrepreneurship, empowering students to make informed decisions.

2. Interactive Session:

The event featured a lively Q&A session where students posed questions about career planning, industry trends, and skill development, which Mr. Naik addressed with practical advice and real-world examples.

3. Motivational Guidance:

Sharing his own professional journey, Mr. Naik inspired students to overcome challenges and adapt to dynamic industry demands.

Outcomes:

The session helped students gain clarity on their post-graduation plans, bridging the gap between academic learning and professional requirements. It also motivated them to explore opportunities beyond their comfort zones and leverage their skills effectively.

Acknowledgment:

BEC IEEE PES SBC extends its heartfelt gratitude to Mr. Sachin Naik for his time and guidance and to Dr. Sangamesh Goudappanavar, PES SBC Faculty Advisor, for his continuous support in organizing the event.

Feedback:

The students expressed their appreciation for this highly informative session, emphasizing its relevance and impact on their career planning.
