#### **1. Event Name : Charting Horizon - Episode 1**

- Launch of a flagship initiative under the Professional and Personal Development Series .

## **2. Objective :**

- To guide students in unlocking global opportunities and fostering professional and personal growth.

## **3. Highlights:**

- Opening remarks by Nithika Shree.
- Welcome note by Dr. Soma Pradhiba, Chapter Advisor of Sri Sairam Engineering College CS SBC.
- Special address by Mr. Jagadeesh, Secretary of IEEE CS SBC.
- Keynote speech by Mr. Simenya Jonathan, Chair of IEEE CS SYP TechX.

## **4. Key Features:**

- Insights from a global tech leader and innovator.
- Interactive Q&A session for participants.
- Felicitation and e-memento presentation.

## **5. Audience:**

- Students, young professionals, and members of the IEEE Computer Society community.

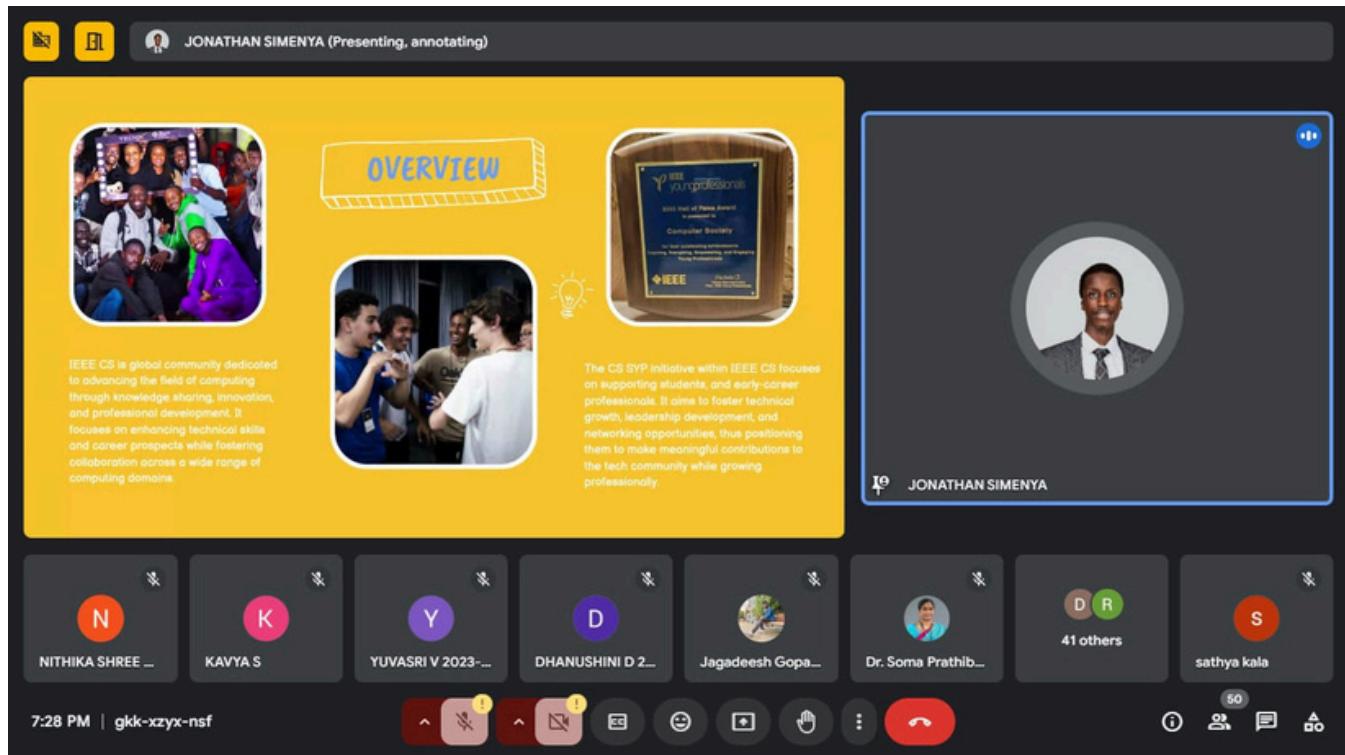

## **6. Duration:**

- A well-structured session with time for speeches, discussions, and engagement.

## **7. Conclusion:**

- Vote of thanks and closing remarks emphasizing continued learning and exploration.

JONATHAN SIMENYA (Presenting, annotating)

**OVERVIEW**

IEEE CS is a global community dedicated to advancing the field of computing through knowledge sharing, innovation, and professional development. It focuses on enhancing technical skills and career prospects while fostering collaboration across a wide range of computing domains.

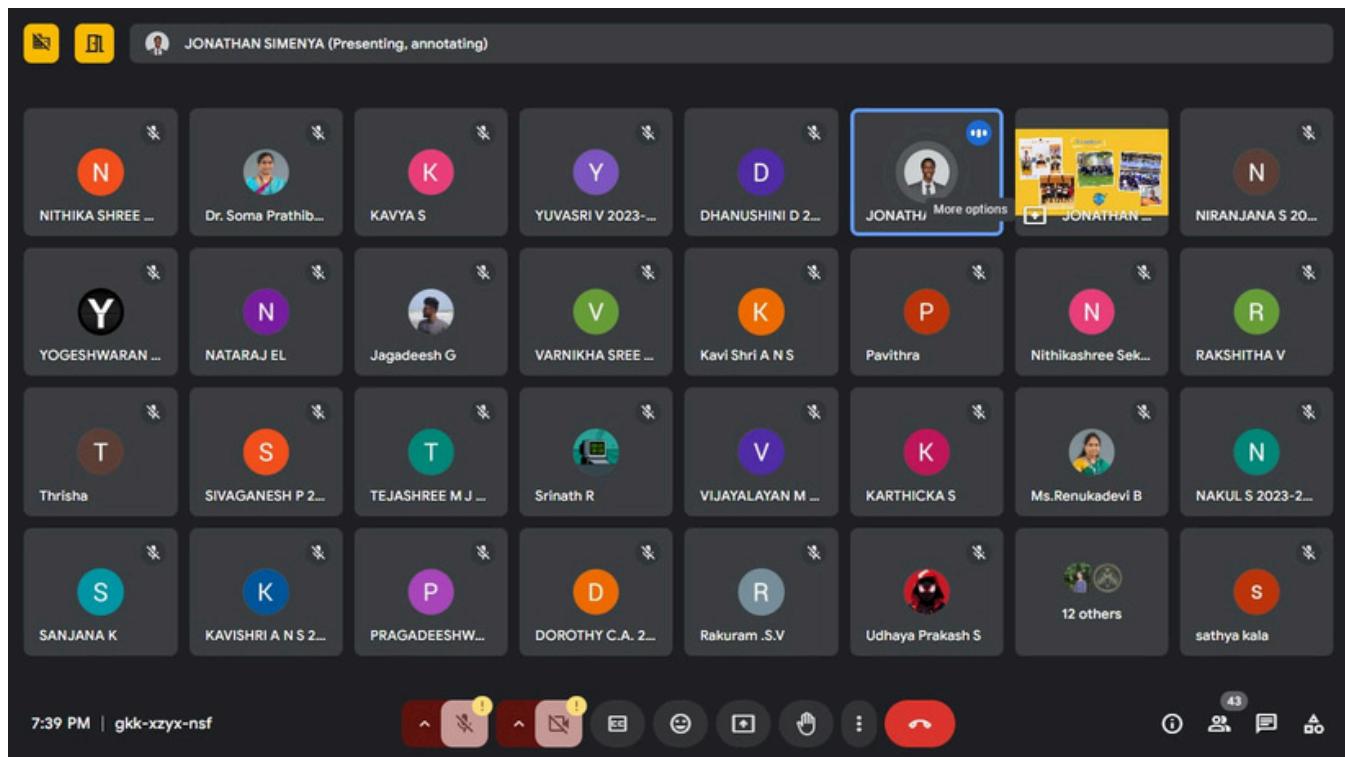

The CS SYP initiative within IEEE CS focuses on supporting students and early-career professionals. It aims to foster technical growth, leadership development, and networking opportunities, thus positioning them to make meaningful contributions to the tech community while growing professionally.
