EVENT SUMMARY:

The Event started at 9.30am by ANITHA R, Third Year of Electronics and Instrumentation Department welcoming the HOD, Chief Guest and Participants. Followed by Dr.S.SUBHA , Chapter Advisor of IEEE Control System Society , delivered the formal Welcome Address. She emphasized the importance of knowledge exchange and collaboration. She and Dr. JAGADEESH KUMAR M, Strategist of IEEE Control System Society felicitated the resource person Dr.PRANITHA KARTHIKEYAN, Proprietor of SRI MATIMAGING TECHNOLOGIES , Avadi , Chennai. She completed her Post Graduate fellowship at IIITM Pravartak catalysing innovation for drone specifications using Python and MATLAB.

She took over the session. The Session was very interactive with the participants. She briefly explained about the Image Processing using Drones, sharing valuable insights and practical knowledge. After a while the Attendees had the opportunity to present their projects, receive expert feedback, and network with peers and professionals.

On the next day Workshops & Hands-on Training took place where participants actively engaged in interactive workshops, gaining hands-on experience with Image processing using MATLAB.

All the Participants of the event received their certificates. At last, the feedback link was posted for the event.

The event concluded with a heartfelt Vote of Thanks by Dr .Jagadeesh Kumar M who expressed gratitude to the resource person, participants, organizers, and sponsors for their invaluable contributions. Their efforts made this Bootcamp a meaningful and enriching experience for all.
