# MÉLANGÉ '25

## Introduction:

**“Mélange '25”** was a heartfelt meet-n-greet organized by **Silver Oak University IEEE Student Branch** to honour and celebrate the journey of Executive and Core Committee members of 2024. True to its name, Mélange brought together a blend of memories, achievements and laughter as a warm goodbye to its outgoing team. The event reflected on the milestones achieved, bonds created and legacy left behind by 2024 IEEE SOU SB team.

## About the session:

**Date:** 19<sup>th</sup> April 2025

**Time:** 04:00 P.M. - 06:30 P.M.

**Venue:** Dr. C.V. Raman Hall, B-Block, Silver Oak University

**Participants:** 82

The event commenced with a captivating video presentation, showcasing remarkable accomplishments of Silver Oak University IEEE Student Branch throughout 2024, a year marked by innovation, learning, collaboration and community engagement. This inspiring presentation set the tone for the evening, reflecting community’s unwavering dedication and collective achievement.

Prof. Mayuresh Kulkarni then followed the session by delivering a powerful speech celebrating the marvellous efforts of IEEE SOU SB executive committee. He emphasized the importance of student-led organizations in nurturing leadership, creativity and technical excellence. Thereafter, Prof. Digant Parmar delivered nostalgic and heartfelt words, sharing his cherished memories that captured both challenging and joyous moments shared with 2024 IEEE SOU SB team as their counselor.

As a token of appreciation and respect, mementos were presented to the outgoing executives and core committee members in acknowledgement of their dedicated service, leadership and commitment throughout the past year. Following that a heartfelt video montage was also screened, capturing candid and behind-the-scenes moments from various IEEE SOU SB events in 2024, a reminder of how far the team had come and how strong the bonds had grown.

After the formal acknowledgement, several members of 2024 IEEE SOU SB Executive Committee members shared their experiences and stories from their tenure. Their reflection with a blend of humorous anecdotes and emotional reflections, made the moment truly memorable. To further rejuvenate the event, some fun and interactive activities were also arranged by Executive Committee of 2025 to rejoice and cherish old memories. As the event concluded, small handcrafted art pieces were presented to executive members in recognition of their contribution in shaping the journey of Silver Oak University IEEE Student Branch and bringing Mélange 2025 to life.

## **Conclusion:**

“Mélange '25” was a celebration of achievements and a heartfelt tribute to the spirit of teamwork, leadership and resilience that defined IEEE SOU SB in 2024. Through inspiring words, tokens of appreciation and shared memories, the event beautifully honored the contribution of the outgoing team and carried forward a legacy of passion, innovation and companionship that has been built over the past year.

The success of the event owes to the guidance and support of Dr. Satvik Khara, Dean, College of Technology, Design and Computer Applications; IEEE Senior Member; Chairperson, SIGHT, IEEE Gujarat Section; Chairperson, Technical Activity, Computer Society, IEEE Gujarat Section; Advisor, Silver Oak University IEEE Computer Society Student Branch Chapter; Founding Member, Silver Oak University IEEE Student Branch.
