

Zealicon 2025 IEEE JSSUN SB NOIDA - Events

Checkmate – Chess Competition:

- **Organized by:** IEEE JSSATEN Student Branch in a collaboration with IEEE JSS University Student Branch
- **Event Date:** 13th – 14th May 2025
- **Venue:** AB2 Ground Floor
- **Mode:** Offline
- **Event Type:** Open Chess Tournament (Students + Faculty)

The **Checkmate – Chess Competition**, organized by IEEE JSSATEN SB in collaboration with **IEEE JSSUN SB**, was successfully conducted on **13th & 14th May 2025** as part of **Zealicon 2025**, the university's flagship cultural and technical fest. The event aimed to challenge participants' strategic thinking, patience, and decision-making through intense rounds of chess matches.

The competition attracted enthusiastic participation from students across various departments, providing them with an excellent opportunity to showcase their analytical skills and competitive spirit. Participants engaged in one-on-one matches, applying tactics, focus, and quick thinking to outsmart their opponents.

After several challenging rounds, the winners were declared based on their performance, strategy, and consistency throughout the competition. The event served as an excellent platform for students to enhance their cognitive abilities, foster a spirit of healthy competition, and build confidence in a mentally stimulating environment.

The competition concluded successfully, promoting logical thinking, concentration, and strategic gameplay, while reinforcing collaboration between IEEE JSSATEN SB and IEEE JSSUN SB in organizing engaging and skill-building events for students.

Objectives:

- Promote critical thinking and strategic skills among participants.
- Encourage interaction and participation from both students and faculty.
- Celebrate the elegance and depth of chess as a competitive sport.
- Foster unity and camaraderie under a friendly competitive spirit.

Conclusion:

The Checkmate Challenge successfully blended tradition and intellect in an environment of friendly competition. It proved that chess is not just a game but a celebration of strategy, foresight, and respect. IEEE JSSATEN SB proudly contributed this enriching experience to Zealicon 2025, fostering a deeper appreciation of the mind sport within the campus community.
