

IEEE LATIN AMERICAN CONFERENCE ON NANOTECHNOLOGY

LANANO 2025

CUZCO, PERU | 4 - 7 NOVEMBER 2025

NTC | Peru Chapter

The IEEE Latin American Conference on Nanotechnology (IEEE-LANANO 2025) will be held from November 4 - 7, 2025 in Cuzco, Peru.

IEEE-LANANO 2025 is an international conference, co-sponsored by the IEEE Nanotechnology Council, designed to foster global collaboration and accelerate the exchange of knowledge in nanoscience and nanotechnology throughout Latin America.

Conference Scope

IEEE-LANANO 2025 will spotlight several emerging areas of nanotechnology, including:

- Advanced nanomaterials
- New trends in nanoelectronics
- Nanotechnology in life sciences
- Machine learning in nanotechnology
- Quantum technology

In addition to these focus areas, the conference welcomes contributions across the full range of topics covered by the IEEE Nanotechnology Council, ensuring broad engagement across all fields of nanoscience and nanotechnology.

Key Dates

EXTENDED

Deadlines for abstracts, full papers, and registration:

- **15 August 2025: Full Paper Submissions**
- 7 September 2025: Paper Decisions
- 30 September 2025: Final Paper Submissions
- **30 August 2025: Presentation Only Abstract Submissions**
- 15 September 2025: Abstract Decisions
- 30 September 2025: Final Abstract Submissions
- **1 October 2025: Early-bird Registrations**

Paper Publications

Accepted full papers for IEEE-LANANO 2025 will be submitted for inclusion into IEEE Xplore®. The full paper must contain original results.

NOTE: Only full papers (4 to 6 pages) submitted by August 1st, 2025, will be considered for inclusion in IEEE Xplore® with their acceptance!

Organizing Committee

Steering Committee:

- Jin-Woo Kim (Chair), University of Arkansas, USA.
- John Yeow, University of Waterloo, Canada.
- Malgorzata Chrzanowska-Jeske, Portland State University, USA.
- Georgios Ch. Sirakoulis, Democritus University of Thrace, Greece.
- Carlos V. Landauro, Universidad Nacional Mayor de San Marcos, Peru.
- William Tiznado, Universidad Andrés Bello, Chile.
- Murilo A. Romero, University of Sao Paulo, Brazil.
- Carlos Silva-Cárdenas, Pontificia Universidad Católica del Perú, Peru.

General Chair:

- Carlos V. Landauro, Universidad Nacional Mayor de San Marcos, Peru.

General Co-Chair:

- Murilo A. Romero, University of Sao Paulo, Brazil.

Program Chairs:

- Leonardo Medrano, Dresden University of Technology, Germany.
- Juan-Carlos Rojas, Institut Jean Lamour, France.
- Juarez Lopes Ferreira da Silva, University of Sao Paulo, Brazil.

Publication Chairs:

- Carlos Cárdenas, Universidad de Chile, Chile.
- Mirtha Pillaca, IEEE NTC – Peru Chapter, Peru.

Finance Chairs:

- Leonardo Quispe-Marcátoma, Univ. Nac. Mayor de San Marcos, Peru.
- Veronica Carranza-Oropeza, Univ. Nac. Mayor de San Marcos, Peru.

Award Committee Chairs:

- Daniel Reyes, Instituto Militar de Engenharia, Brazil.
- Yenny Hernandez, Universidad de Los Andes, Colombia.

Publicity Chairs:

- Ana Champi, Federal University of ABC, Brazil.
- Laura Serkovic, Bariloche, Argentina.

Young professional Chairs:

- Mateo Bruno Lodi, University of Cagliari, Italy.
- Melissa Yactayo, Universidad Nacional Mayor de San Marcos, Peru.

Local Committee - Peru :

- Justiniano Quispe-Marcátoma (Chair), Univ. Nac. Mayor de San Marcos.
- Víctor Peña-Rodríguez, Univ. Nac. Mayor de San Marcos.
- Andrés Guerra, Pontificia Univ. Católica del Perú.
- José Castañeda-Vía, Univ. Nac. Mayor de San Marcos.
- Anibal Alviz Meza, Univ. Nac. Mayor de San Marcos.
- Lyda La Torre, Univ. Nac. de San Antonio Abad del Cusco.
- Uriel Fernandez Bernaola, Univ. Nac. de San Antonio Abad del Cusco.
- Gabriela Barraza, Universidad Nacional de Trujillo.
