AUGUST 29, 2020
CAMPVILLE, NY

AUGUST 29, 2020 9AM-5PM

DISC GOLF CHALLENGE & CORNHOLE TOURNAMENT

New, beginner, or experienced players all welcome!

Come out and enjoy the summer with some outdoor sports, picnic, and networking. The IEEE Binghamton Section is sponsoring a Disc Golf Trilogy Challenge and Cornhole Tournament. All ages and physical abilities welcome. No skill level required. Play as little or as much as you want. Game rules will be available at check-in and on the registration site.

All pre-registered players receive a t-shirt (specify size) and a picnic lunch. Play on the full 18-hole Campville Commons Disc Golf course and/or enjoy chucking corn on the boards.

Disc Golf players receive 3 new discs (driver, mid-range, putter), towel, mini-disc, and scorecard. You get everything you need to join the sport!

Cornhole players receive a set of bags for the Last Bag Standing Double Elimination Tournament. Feel free to bring your own ACA-compliant bags.

Winners will earn some cool prizes. Everyone keeps their player packs. Extra discs, bags, and other gear will be available for purchase if needed.

See <https://events.vtools.ieee.org/m/232335> for details/registration.
