

# IEEE Southeastern Michigan Presents: Revolution OS

As part of an innovative and fresh approach, i.e. a non-traditional meeting event: we present a video documentary entitled: "REVOLUTION OS".

Movie Summary: Revolution OS is a 2001 documentary film that traces the **thirty**-year history of GNU, Linux, open source, and the free software movement. Directed by J. T. S. Moore, the film features interviews with prominent hackers and entrepreneurs including Richard Stallman, Michael Tiemann, Linus Torvalds, Larry Augustin, Eric S. Raymond, Bruce Perens, Frank Hecker and Brian Behlendorf.

AFTER the movie - we can have a brief discussion session. NOTE: You must supply your own soda pop and popcorn! :-)

Trivia may also follow, so bring your Jeopardy hats too

**\*Pre-Registration Required!**
